# CALL FOR PAPERS

**Multidisciplinary Innovations in Technology and Science (MITS) Journal** is delighted to announce its Call for Papers for First Issue.

MITS Journal invites researchers, academics, and professionals to contribute their valuable insights, fostering collaboration and knowledge exchange across diverse technological and scientific disciplines.

MITS Journal aims to showcase cutting-edge research in areas such as:

- Power Systems
- Renewable Energy
- Internet of Things
- Cyber-physical systems
- Data Science
- Artificial Intelligence
- Neural networks
- Neuro-fuzzy systems
- Big data analytics
- Sustainable materials
- Environmental management and conservation
- Sustainability of energy resources
- Quantum Electronics
- Machine Learning
- Industry 4.0
- Control Systems
- Robotics
- Materials
- Intelligent transportation systems
- Smart vehicles
- Self-organizing, emerging or bio-inspired system
- Sustainable economic development
- Functional materials
- Materials engineering
- Nanotechnology
- Smart Computing
- Decision-support systems
- Perception
- Real-time intelligent automation
- Global optimization
- Meta-heuristics and their applications
- Expert systems
- Various areas of mathematical sciences
- Energy storage and applications
- Energy and buildings
- Other relevant areas.

## Submission Guidelines:

Manuscripts must be original and should not be under review or published elsewhere.

Submitted papers will undergo a rigorous peer review process, adhering to the guidelines of MITS Journal.

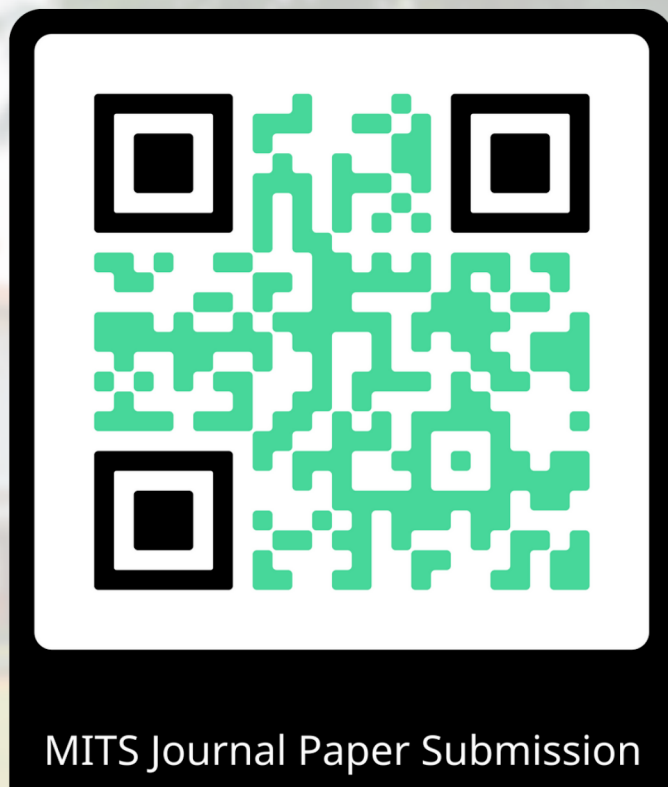

## Important Dates:
