NAAC ACCREDITED WITH A++ GRADE

Guidelines for Registration of Participants

1. **Team Formation :** Each team must consist of **6** students, with at least **1** female member (Only MITS Students allowed).

2. **Problem Statement Selection:** Teams must choose a problem statement for the hackathon from the official event website.

3. **Preliminary Submission:**

   - Prepare a **presentation** outlining your approach to solving the selected problem.
   - **Optional** : Submitting a **1-minute video** explaining your solution. (**Priority will be given to students submitting video explanation**)
   - Both the presentation and video (if you are adding) must cover:
     - Problem Definition
     - Technical Implementation
     - Financial Feasibility
     - Societal Impact

4. **Final Presentation (Judgment Round):** For **Shortlisted teams** on the hackathon day, teams must present a basic overview of their project, including a **Prototype / Logic** demonstrating their solution.

   Do not submit SIH PPT given for reference, create your own presentation with MITS Header.
