Website: www.mitsgwalior.in

Objectives of the Workshop

- (i) To enable the faculty members to compute the bibliometrics of their publications
- (ii) **To Submit information in the format below, along with report.**
- (iii) To create awareness among the faculty members about publication, citations, H-index, indexing databases etc. as per NAAC requirements
- (iv) To update the profiles of faculty members on the **Vidwan Portal, Publons, Scopus, Google Scholar, Research Gate, Orcid** etc and link them to the website, as already notified earlier
- (v) To train the Data Managers to conduct similar workshops at their respective departments
- (vi) At each department the faculty members were trained and the citations and H-index were calculated.

Report of In-House Workshop on "Research Publications & Citations calculations"

An In-House workshop on "Research Publications & Citations Calculations" was held for all the faculty members of the department on Thursday, 16.09.2021. The attendance record of this workshop is attached with report.

The following points were deliberated in this workshop

1. All the faculty members were apprised about the upcoming NAAC accreditation process, data requirements for it and the necessity of updation of faculty profiles and linking of the same with institute website.
2. In view of point 1 above, all the faculty members are asked to update the existing profiles as early as possible and remove the redundancy. Also the faculty members are asked to create profiles on Orcid, Publons if not made and provide the links so that they can be linked to website.
3. All the faculty members were apprised about UGC Care listed journal, Scopus indexed & Web of science indexed journals publications. In this regards faculty members are asked to improve their publications. Also it has been decided to prepare a tentative list of UGC Care Group I journals and circulate among the faculty members as well as PG students so that they are aware about them.
4. In view of point 3 above, it has been decided that it will be mandatory for PG students to publish their papers in atleast UGC care Group I journals if not possible in Scopus/Web of Science journals and any other publications won't be accepted or encouraged from now, for this PG dissertation coordinator was asked to send a formal notice among the students.
5. All the faculty members were apprised about the computations of citations & h-index in Scopus, Web of Science and Google scholar with the help of examples of some of the faculty members. Based upon that the complete computations were done in the workshop and the data for 3.4.5A and 3.4.5B of AQAR were finalized. The data is attached with the report.
6. At the end a summary sheet as required for citations of faculty publications in Scopus & Web of Science was prepared and is being attached here with the report.

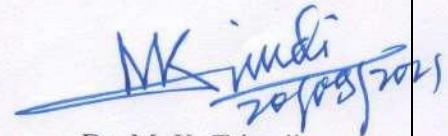

Submitted the report to Dean Academics for Information and necessary action.

Report

In-house workshop on Computation of Citations & H-index in (i) Web of Science and (ii) Scopus

As per notice no. 1397 dated 8th September, 2021 undersigned by Dean Academic, a In-house workshop on "Computation of Citations & H-index in (i) Web of Science and (ii) Scopus" has been conducted on 10th September 2021 from 5:00 PM to 6:00 PM in the head cabin. Total 17 participants have been attended (see attached attendance list) the workshop. Dr. Amit Aherwar was coordinated the workshop and the following points were discussed.

- 1) How to compute the bibliometrics of their publications on the "Web of Science" and "Scopus" portal.
- 2) How to compute the H-index individually.

ELECTRICAL ENGINEERING DEPARTMENT

Date: 9th September 2021

NOTICE

With Ref: DA/MP/2021/1397, an in-house workshop is organising on 9th September 2021 at 4:00 PM on "**Computation of Citations and H-index in (i) Web of Science and (ii) Scopus**" in the Seminar Hall-III for all faculty members of the department.

Objective of the workshop

- 1) To enable the faculty members to compute the bibliometrics of their publications
- 2) To submit information in the format below, along with report
- 3) To create awareness among the faculty members about publication, citations, H-index, indexing databases etc, as per NAAC requirements.
- 4) To update the profiles of faculty members on the Vidwan Portal, Publons, Scopus, Google Scholar, Research gate, Orcid etc and link them to the website, as already notified earlier.
- 5) EED AQAR Presentation by DATA Manager

Workshop will be conducted by: Mr. Vishal Chaudhary and Ms. Bhavna Rathore

Laxmi
2/9/2021
Dr. Laxmi Srivastava

Professor & Head, EED

Vishal

Key points of the workshop are as follows:

- A brief overview is given about bibliometrics calculation.
- Created awareness in the faculty members about publications, citations, h-index, indexing database, etc. as per NAAC requirements.
- Steps are shown to the departmental faculty for any publication search in Web of Science and Scopus.
- Steps are shown to the departmental faculty for the calculation of h-index of any paper in Web of Science and Scopus.
- Faculty members are requested to create/update their profile on Vidwan Portal, Publons, Scopus, Google scholar.
- Presentation of EED AQAR (2020-21) by data manager Vishal Chaudhary in front of all faculty members of the department.

Report of Workshop

on

“Computation of Citations and H-index in (i) Web of Science (ii) Scopus”

Type of activity:	In-house Workshop
Title of the activity:	Computation of Citations and H-index in (i) Web of Science, & (ii) Scopus
Date and duration of activity:	10/09/2021 at 2:00 PM to 03:00 PM
Number of Participants:	21
Resource Person:	Mr. Arun Kumar (Departmental Data Manager)
Objectives of the workshop:	<ol style="list-style-type: none">1. To enable the faculty members to compute the bibliometrics of their publications.2. To submit the desired information in the format already shared with the department.3. To create awareness among the faculty members about publications, citations, h-index, indexing databases etc., as per NAAC requirements.4. To update the profile of faculty members on the Vidwan portal, Publons, Scopus, Google Scholar, Research Gate, orcid etc. and link them to the website as already notified earlier.
Outcome of the workshop:	<ol style="list-style-type: none">1. All the faculty members are successfully able to calculate the citation and H-index for their publications in Web of Science as well as in Scopus.2. After completing the workshop, all the faculty members have their accounts created on Web of Science and Scopus.3. All the faculty members have updated their profiles on various portals associated with research.

A report on In-house workshop on

“Computation of Citations & H-index in i) WoS ii)Scopus”

Date: 14th Septer

An In-house workshop on “**Computation of Citations & H-index in i) WoS ii)Scopus**” was on 14th September 2021 from 5 pm to 6 pm. All the departmental faculty members particip workshop and computed their citations and H-index for the required year. The workshop was c by Dr. Saumil Maheshwari.

Following were discussed during the workshop:

- The coordinator demonstrated the calculation of citations from Web of Sc Scopus.
- The H-index calculation for Scopus and WoS indexed papers was explained.
- The faculty members calculated their citations and H-Index from both of the (Scopus/WoS). The tables for the same are also attached.

Workshop Report

Chemical Engineering Department had been conducted a one-day in-house workshop on "Computation of Citations and H-index in (i) Web of Science (ii) Scopus" on 14/09/2021 at 5:00PM in the online mode.

No. of Faculty Present in workshop=08

Workshop Drive Link

<https://drive.google.com/file/d/1VwbhC3jzcxPmnn08FbM0AlklyqdKap2m/view?usp=sharing>

In the workshop we were discuss the following Points:

1. To enable the faculty members to compute the bibliometrics of their publications.
2. To submit the desired information in the format already shared with the department.
3. To create awareness among the faculty members about publications, citations, h-index, indexing databases etc., as per NAAC requirements.
4. To update the profile of faculty members on the Vidwan portal, Publons, Scopus, Google Scholar, Research Gate, orchid etc. and link them to the website as already notified earlier.

Department of Engineering Mathematics & Computing

Report

Title of the Programme: Computation of Citation, i & h- Index

Date: 16-09-2021

Venue: Mathematics and Computing Lab

Speaker: Dr. Jitendra Kumar (Deptt. of Engineering Mathematics and Computing)

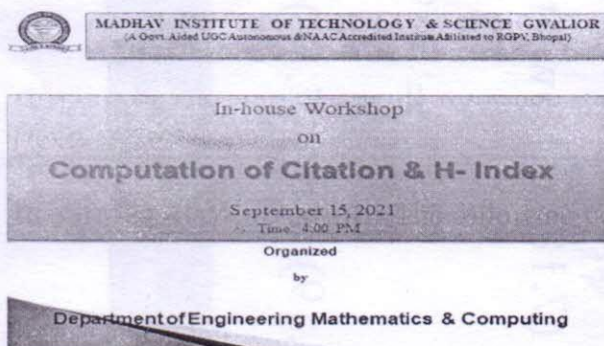

Number of Participants: 08 (enclosed)

Objective: The objective of the workshop was spread the awareness of citation, i- index and h- index.

Outcomes of Workshop: The following points were taken up in the workshop

1. The speaker acquainted all the faculties with Publication, Citation, their index calculations and computation on Web of Science and Scopus.
2. Registration of all individual faculties on PUBLON in addition to earlier research domains was suggested (Research-Gate, Google scholar etc.)
3. Reviewing the research profile regularly was discussed.

Report on Departmental Workshop on

Computations of Citations & H-Index in WOS and Scopus

The workshop was conducted to enable faculty members of the department to compute their own bibliometrics of their publications and to create awareness among them about publications citations, indexing databases, etc. Faculties were also asked to provide their profile links of portals such as Vidwan, Publons, Scopus, Google Scholar, Research Gate and Orcid.

Conducted on: 17th September, 2021

Attendance: Dr. Anjali S patil, Dr. Sanjay S Jadon, Dr. Sanyam Bahga, Versha Sinha, Ankit Kumar, Richa Mishra, Pranshi Jain, Geetika Jha, Anmol Gupta, Harshita Mishra. (All faculty members were present).

Salient points discussed in workshop: Citations in general, how to compute H - Index and citations, what is Web of Science & Scopus. The other platforms for citations. The various portals for updating the departmental webpage. Also faculty members were asked to compute the H Index and Citations in the workshop itself.

The Datasheets are

3.4.5A

REPORT
of
Workshop on computation of Citations & H-Index
In
(i) Web of Science (ii) Scopus
On
13th September 2021

An in-house workshop was organized in the Department of Management on 13th September 2021 at 05:00 pm on “Computation of Citations & H-Index in (i) Web of Science and (ii) Scopus”, for the faculty members of the Department of Management.

Following members attended the workshop:

1. Dr. Trilok Pratap Singh
2. Dr. Namrata Gupta
3. Ms. Deepshikha Chavan

The workshop was conducted by Dr. Monica Chauhan Bhadoriya, Data Manager (Department of Management)

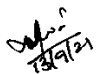

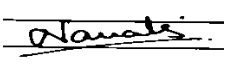

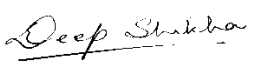

Salient points discussed:

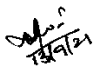

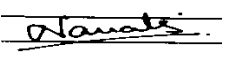

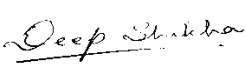

- NAAC requirements
- Computation of bibliometrics of own publications
- H-index: concept and calculation
- Citation Index
- Check and calculate no. of citations in WoS
- Check and calculate no. of citations in Scopus
- Creating/updating faculty profile on various platforms like ResearchGate, ORCID, Vidwan, Google Scholar, Scopus, etc.

Outcome:

The workshop helped the faculty members to understand the basic concepts of citation & H-index which will help them in developing themselves and build a strong database for the similar requirements in future reports.

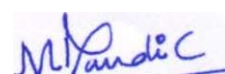

As the Department of Management started in December 2020 and the faculty members joined in December 2020 and April 2021, so the required data is not available in the department for the said duration.
