Moodle is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments, its based on CMS (Content Management System) .

Moodle is a free and open-source software learning management system written in PHP and distributed under the GNU General Public License. Developed on pedagogical principles, Moodle is used for blended learning, distance education, flipped classroom and other e-learning projects in schools, universities, workplaces and other sectors.

With customizable management features, it is used to create private websites with online courses for educators and trainers to achieve learning goals. Moodle (acronym for modular object-oriented dynamic learning environment) allows for extending and tailoring learning environments using community sourced

Workshop GIAN MITS (Sustainability in the Built Environment)

The screenshot shows the Moodle LMS interface for the course 'GIAN MITS (Sustainability in the Built Environment)'. The top navigation bar includes 'mitsmoodle', 'Important Links', 'Notice Board', 'Virtual Labs', 'T&P, Counselling Cell & Clubs', 'EXAM & Library', and 'Moodle2020'. The course title is displayed prominently. A navigation menu on the left lists various course components, including 'GIAN' and 'Participants'. The main content area features an 'Announcements' section with a banner for the workshop, held from 19 to 30 March, 2018, under the aegis of the Ministry of Human Resource & Development, Govt. of India. Below the banner, there are three announcements regarding course feedback, each with a checkmark icon. A 'Course information' section is also visible, with a 'General Information' link and a checkmark icon.

General Enterprising Tendency Test

The screenshot shows the Moodle LMS interface for the 'General Enterprising Tendency Test' quiz. The top navigation bar is identical to the previous screenshot. The left navigation menu is expanded to show 'Quiz administration'. The main content area displays the quiz title and the Madhav Institute of Technology & Science logo. The quiz is titled 'GENERAL ENTERPRISING TENDENCY TEST' and is described as 'A Govt. Aided UGC Autonomous Institute, Estd. in 1957 (Affiliated to R.G.P.V. Bhopal)'. It is celebrating the Diamond Jubilee (60th Year) of a Tech-Xtraordinary Journey. The 'INSTRUCTIONS' section states: 'This Exercise could not be simpler: It is mandatory to respond each statements. It will only take about ten minutes. There are no right or wrong answers. It will help you to gain a better understanding of yourself.' It also mentions that there are 54 different statements and that users are merely required to agree or disagree with the statements. The quiz is set to 'Attempts allowed: 1', 'This quiz closed on Saturday, 27 January 2016, 4:00 PM', and 'Time limit: 20 mins'. The current attempt count is 'Attempts: 3115'.
