Additional comments/suggestions by the participants:

- It's good and helpful
- Nice
- This type of competition or contest should be organized regularly for the students of our college because it helps me to identify the area to improve.
- Session was fantastic.
- Information should be delivered clearly and transparency should be maintained.
- Organization is well
- Great event, well planned and organized.
- It made me more open.
- Please try to arrange personal interview or at least group discussion for all. Group discussion skills should be taught to children.
