## Report on Two Day Training Workshop

On

### **An Introduction to Material Testing for Civil Engineering Applications**

1. Name of the department: Civil Engineering
2. Name of the activity: Two Day Training Workshop
3. Date of the activity: 15<sup>th</sup> – 16<sup>th</sup> December 2018
4. Detail of Activity: An inhouse two-day training program for staff members of MITS titled "An Introduction to Material Testing for Civil Engineering Applications" was organized by Civil Engineering Department.

This training program covers the following areas

- Training on Testing of Aggregates
- Training on soil testing for construction purpose
- Training on physical testing of Bricks and Concrete
- Training on Bituminous and Concrete Design Mix

Prof. A.K. Saxena, who is a Senior Faculty Member of MITS and an expert in Material Testing have acted as training coordinator and conducted four sessions on two days (two sessions per day) focusing on each area of training program. A total of six staff members have attended the training program on both days.

**TWO DAY WORKSHOP ON “AN INTRODUCTION TO  
MATERIAL TESTING FOR CIVIL ENGINEERING  
APPLICATIONS”**

This is to certify that *Mr. R.K. Mishra* of *Madhav Institute of Technology and Science (Gwalior)* has attended and actively participated the Two-Day Workshop on “*An Introduction to Material Testing for Civil Engineering Applications*” organized by the *Department of Civil Engineering, MITS Gwalior* on December 15-16, 2018.
