

DEPARTMENT OF CIVIL ENGINEERING

Madhav Institute of Technology & Science, Gwalior- 474 005

(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Estd. 1957, Affiliated to RGPV Bhopal)

About The Institute

Madhav Institute of Technology & Science (MITS), Gwalior was established by His Highness Sir Jiwaji Rao Scindia, Maharaja, of the Erstwhile State of Gwalior, with an aim to create world class quality engineers and technocrats capable of providing leadership in all spheres of life and society. Founded as Madhav Engineering College in 1957 with three UG programmes, this temple of learning is now about 60 years old. The institute presently offers seventeen UG programmes (including recently started programmes in emerging areas such as IoT, AI&ML, Mathematics and Computing, AI and Robotics etc.) in major disciplines of engineering & Technology with minor specialization in interdisciplinary domains and honors in the parent discipline. The institute also offers PG programmes in various specialization of Engineering & Technology and research programmes leading to PhD degree. All the departments of the institute have well equipped laboratories and experienced faculty members. The institute is minor QIP center of AICTE for PhD programme in five disciplines. The institute was also funded by world bank under TEQIP Phase-II and TEQIP Phase-III to strengthen the quality of technical education.

Vision of Department

To develop civil engineers of global standards with leadership skills to serve society.

Prestigious Alumni

- Dr. Mahesh Chandra Gupta (Former Vice Chancellor of RGPV, Bhopal)
- Mr. Sudhir Kumar Saxena Secretary (Security) Cabinet Secretariat
- Mr. Rajendra Yadav (Rtd. Executive Director of Irocon International Limited)
- Mr. Lalit Chandra Trivedi (Rtd. General Manager of Eastern Central Railway)
- Mr. Anil Kumar Lohati (General Manager of Central Railway)
- Mr. Sanjeev Kumar Sharma Special Advisor (National Revenue Authority of Sierra Leone)
- Mr. Vimal Kaushik Rtd. CEO & MD IL&FS Engg. & Const. Co. Ltd. (Maytas Infra Ltd.)
- Mr. Manoj Mathur Chief General Manager of IOCL
- Mr. Dharendra Singh Rana (Chairman & Managing Director of Engineering Projects (India) Pvt. Ltd.)
- Mr. Ashish Pippal Scientist CSIR-Central Building Research Institute Roorkee
- Mr. Mayank Tamrakar TTSM Ultratech cement Ltd.
- Mr. Rahul Gupta (Director of Neoteric Construction Group, Gwalior)

Student Performances

- Approximately 40 students from the session of 2022 cleared GATE examination with excellent score
- Total 51 offers were made last year in the session of 2018-2022 with average package of 5.87 LPA with the highest package of 6.5 LPA
- 127 students of the session 2018-2022 pursued their internship in reputed firm with the stipend of the range 3000-10000 rs. per month and 12 students completed successfully their major projects in different opted fields.
- 10 students from the batch of 2019-2023 completed successfully their summer internship at CSIR-CRRI, New Delhi.
- More than 35 students from the batch of 2019-2023 completed their summer internship at CPWD Gwalior.
- More than 50 students from the batch of 2019-2023 completed their summer internship in different smart city projects in different cities.

Renowned Faculty

Dr. Manoj Kumar Trivedi
Professor and Head of Department

Professors:

Dr. Rajeev Kansal (Dean Student Welfare)

Prof. Archana Tiwari,

Dr. Sanjay Tiwari

Dr. SK Jain

Associate Professors:

Prof. AK Dwivedi,

Prof. AK Saxena

Assistant Professors:

Prof. Gautam Bhadoriya

Dr. Hemant Shrivastava

Prof. Aditya Kumar Agrawal

Dr. Jayvant Chaudhary

Dr. Abhilash Shukla

Dr. Chayan Gupta

Dr. Prachi Gupta

About The Department

One of the primary engineering departments of the MITS Gwalior, is the Department of Civil Engineering offers B.E., M.E/M.Tech. degree programs. The Department actively promotes curriculum development activity by updating existing courses, developing new courses and preparing resource material for teaching. The Department has a number of ongoing research projects and sponsored research schemes from public and private sector organizations. It undertakes industrial consultancy works as a part of its interaction with industry and also organizes seminars/symposia for professional interaction. The Department contributes to the interdisciplinary academic and research activity of the Institute.

Courses Offered

- **B.Tech in Civil Engineering**
Intake - 120, Duration - 4 Years
