Department of Computer Science & Engineering

INDUCTION PROGRAM

Duration : 18th September 2023 to 20th September 2023

The Induction program for B. Tech, CSE-Ist Year, Semester-I Computer Science & Engineering (Session: July -December 2023) was conducted in new seminar hall-7 from 18 September 2023 to 20 September 2023 at 11:00 am to 6:00 pm. Total No. of students who have been attended the Induction - Program were 128.

Detailed Report CSE: Ist Year

The program began with the message of **Head of Department (HOD), Dr. Manish Dixit** welcomed all the students of CSE Ist year under the theme "HOD message & Department information". He had motivated students to react smartly and use their presence of mind during any difficult situation in both their professional and personal life. He had also motivated students to take regular and remedial classes. He had also covered the Vision and Mission of the college and department of CSE. He has motivated to students to take regular and remedial classes. He informed the students about importance of Feedback and Parent-Teachers Meet. He conveyed that filling the feedback and survey forms are necessary for the improvement in system.

Dr. R.K. Gupta, senior professor, has instructed to all students for attending the classes regularly. And explained the continuous evaluation process through midsem, quizzes, assignments, proficiency etc. He told to the students that, if they have the problems, share with their class coordinators. He had, taught a lesson to students," How to become honest with yourself during their student life journey".

The theme of the next session was **"Know your faculty".** This session was hosted by **Mr. Amit Manjhwar.** In this session, the faculty profile was presented among the students with the aim that, whenever students want help from faculty, they could easily interact with them. Departmental activities, achievements, and newsletters were also covered in this session.

The Third next session was information regarding the **"Curriculum Scheme and Schedule"** of B.Tech Ist semester was covered by **Prof. Mahesh Parmar**. He had presented the schemes, syllabus and curriculum structures of the first year students. **Prof. Kushboo Agrawal** also presented the Outcomes based education policy and flexible curriculum to the students.

The next session was about the **Alumni Interaction**. **Dr. Gagandeep Kaur** was hosted this session. She was present to interact with students and provide the importance of the alumni cell, She has explained about the various previous activity held under the alumni cell of department.

Dr. Kuldeep Tripathi gave the information about company placement and GATE examination. HH said that along with placement, the GATE exam is also a good option to

make their carrier in the field of PSU selections. He has also delivered fruitful information about the current Placement trends. Continue with this session also explained the importance of Placement/Industry collaboration, MoU's etc.

Prof. Ankita Senger has deliverd the information under the theme of "**Emerging Technology according Industry Demands**". She introduced students to the world of Artificial Intelligence. She included introduction to concept of blockchain, IoT, Virtual reality and few more present videos and GIF example.
Another session was based on Working- Projects Model currently in MITS by the senior students cse. This session was conducted to showcase the innovation and outcomes of several key projects undertaken by Software Development Club**. Mr. Rahul Rawat and Mr. Suyash Agarwal cse third year** has given the whole demonstration during the induction. It Depicts the past Revolution of the CSE. The presentation aimed to provide Newly Admitted Batch with a comprehensive understanding of the projects, their significance, the achievements made during their execution, motivation for Involvement in Problem-Solving Initiatives. The session concluded with a sense of enthusiasm and clarity regarding the progress and future directions of the projects. The projects are The Library Management System, Exam Sitting, NEC Registration, Car Rental System, College Level Counselling, Net Auth, etc.
After the previous session the "**Yuva Unstoppable Scholarship program"** session was organised by the students Ms. Shreya Chaturvedi & Ms. Deeksha Sharma. The objectives of this session was to provide necessary and authentic information about this scholarship program to the newly admitted students of first year for the 2023-24 batch. The objective was to reach out to the students who might be hesitant to complete their education in view of inadequate financial resources. They had also given the information about the previous year students achievments (awarded this scholarship) of our department. Those bright scholars include: Anup Singh Lodh, Shreya Chaturvedi, Devansh Rajput, Deeksha Sharma, Abhidha Joshi, Ankit Namdev, Yashraj Sherke, Nikhil Gupta, Tanmay Sawankar, Devendra Patidar, Prashant Kumar, Niharika Pachori, Pratham Sharma, Pradhyum, Aditya Kumar, Kuldeep Bhargav and Harsh Kushwah. Students were honored with the scholarship by Shri Mahanaaryaman Scindia in the college premises.

To motivate and guidance the students for their carrier another session "**Know about Internship" h**as been conducted. The session aimed to provide valuable insights and guidance to students interested in pursuing careers in the tech industry. They encouraged students to start learning a coding language in their first year of college. The key points has been discussed by **Dr. Kuldeep Tripathi** and our students intern **Ms. Soumya Sethi and Ms. Sneha Shrivastava**, Both are upcoming Software Development Engineer (SDE) interns at Amazon.

Prof. Smita Parte has delivered the session about **Swayam & NPTEL** platform. She has also provided the information about the MOOC and open categories' subjects, electives subject's scope in the curriculum.

The other session has hosted by **Deputy Examination Controller, Dr. Punit Johri** . He has covered all necessary information about the examination. In his session he has talked about the rules of examination process, the admit card process, how to fill the information in the answer booklet. Etc. He has also discussed about the previous mistakes done by the students when filling the answer booklets.

The Next session has hosted by the **MoU coordinator Dr. Jaimala Jha and her team of GITHUB and AASF-MITS (Abhgyanam Abhikaushlam Student Forum collaboration with ABVIIITM Gwalior) students coordinators.** She has given the information & importance about the MoU and student forum. Each forum and MoU has performed one activity during the induction programme. Student's coordinators have explained how to get membership in these forums as per the interest of the students. They also have shown previous activities glimpses during the programme. The other session was conducted by one of the faculty **Prof. Hemlata Arya**, sha has provided the basic information of the students Moodle portal under the theme "Moodle Training". What are the operations students can perform with Moodle. After this session**, Prof. Aashi Singh Bhaduria** spoke about the departmental activity & events held under the extension activities. All the activities held at institutional level in which the students and the faculties of the department contributed and participated.

The "Masterstroke" of the program was the **"Fun activities",** which were conducted by **Prof. Jigyasa Mishra, Prof. Manisha Pathak & Prof. Kratika Sharma under the theme of "UHV: Universal Human Values"**. In this session, different fun activities such as Energizers, "Guess the Brand Name by Tagline", "Fastest Memory First" and "Musical Appearance" with the help of piece of papers. This fun activity was focused on bringing out the remembering power of students. It also energized students and activated their body-mind coordination.
At the end of this session some winning members came out during the game playing based on their performance, according to the category of the games.

1. **Guess the Brand Name by Tagline Game**
2. **Fastest Memory First Game**
3. **Musical Appearance Game**

- In the first category, the winner was Mr. Divya Gupta (CSE)
- In the second category, the winner was Ms. Roshni Parashar (MCA)
- In the third category, the winner was Mr. Kunal Barange (CSE)

After this session some students have performed their hobbies like singing and poetry writing. And some students have also presented their ideas and startups concept among the other students. One of the senior students Rudraksh CSE Second Year has given the singing performance Students were very excited to listen his music and song.

The last session of the induction programme has covered by the **First Year coordinator Dr. Jaimala Jha.** She has conducted the activity of feedback & Quiz for the first year students during the programme. And also explained why feedback is important for academic growth. Quiz session contains some questions regarding the deliverables during the three days induction Program. After previous session the department lab visit has also organised, where first year students can see the various recourses of the department. The departmental tour conducted under the guidance of Mr. Sanjay Aroliya & Ms. Shiva Patel along with group photo session with all faculty members, staff and head of department CSE.
The last session was **"Mentor- Mentee" session.** In this session provide detail about the importance of mentorship. Mentorship gives direction, helps students choose a career path, and also supports them by connecting them with the right people. And as per the allotment of the mentors to the first-year students, they have to interact with the mentee's students.

INDUCTION PROGRAM

Duration: 18.09.2023 to 20.09.2023

The Induction program for B. Tech, ***CSD-Ist Year***, Computer Science & Engineering (Session: July -December 2023) was conducted in Student Activity Centre from 18th September to 20th September 2023 at 10:00 am to 5:00 pm. Total No. of students who have been attended the Induction - Program were 68.

Detailed Report CSD: Ist Year

Vision & Mission and Program Outcomes Vision & Mission and Program Outcomes:
This session is hosted by Dr. Manish Dixit, Professor and Head, Department of Computer Science & Engineering. He motivates the students to how can set the goal and achieved them. The program began with welcomed all the students of CSD Ist year under the theme "HOD message & Department information". Dr. Dixit make this session very joyful and motivational. Overall the department working structure is deeply explained one by one. After this some senior faculty was addresses to the students. Dr. R.K Gupta motivates the students and briefing about institute and departmental positivity activity. A positive environment and a positive attitude make a man perfect. He had, taught a lesson to students," How to become honest with yourself". He also shows how can enhanced your mental power and thinking ability to face a difficult situation in both their professional and personal life in a simple way. He had also motivated students to take regular and remedial classes.

The theme of the next session was "Know your faculty". This session was hosted by Dr. Rohit Agrawal: This Session a detail profile is shown by Dr. Rohit Agrawal. A detail research background, subject expertise is also shown in detail. Importance of research and correlation with subject concept are well explained in this session. In this session, the faculty research background and their importance in different company platform are shown among the students with the aim that, whenever students want help from faculty, they could easily interact with them.

The Third next session was information regarding the "Flexible scheme: Credits/DE/OC/Minor/Major etc…was covered by Prof Mahesh, Prof. Khushboo Agarwal and Dr. Kuldeep Narayan Tripathi: The importance of this session is correlation between our course curriculum and DE, OC Minor and Major Project. The course curriculum is totally designed based on PSU, GATE syllabus and updated research activity. He motivate the students on the basic of our course curriculum and he interacts with students and gave them the information about company placement and GATE examination. He said that along with placement, the GATE exam is also a good option to make their carrier in the field of PSU selections.

The second next session has hosted by Punit Kumar Johari: This session mainly focuses on Examination procedure and their importance. A detail of mid semester exam, end Sem

exam and their mode are deeply explained. He has covered all necessary information how to fill the answer booklet about the examination.

The next session was about the Alumni Interaction and Moodle Training event: This session was hosted by Dr. Gagandeep kaur and Prof. Hemlata Arya. She motivates the student for high salary package and gave them the information about company placement and GATE examination.

The next session was SWAYAM/NPTEL/Elective/Open course offered by department: This session was hosted by Prof.Smita Parte, she covered the complete information about Swayam & NPTEL platform. Also provided the information about the open categories' subjects and electives subjects' scope in the curriculum.

The next session was dedicated to students under the theme "Show yourself". This meeting was covered by the detail introduction about self of all the presented students. Students were very excited to talk about themselves along with their hobbies and area of interest.

At the end of the first day of department the last session was "Mentor- Mentee" session. In this session we provide detail information and role of mentorship. Mentorship gives direction, helps students choose a career path, and also supports them by connecting them with the right people.

The "Masterstroke" of the program was the "Fun activities", which were conducted, some senior students and Prof Kratiha Sharma, Prof. Manisha Pathak and Prof.Jigyasa Mishra under the theme of "UHV: Universal Human Values"

The second last session of the induction programme has covered by the First-Year coordinator Dr. Ranjeet Kumar Singh. He has conducted the activity of feedback of the students during the induction days of the programme.

The last session was the department lab visit, where first year students can see the various recourses of the department. The departmental tour conducted under the guidance of Dr. Ranjeet Kumar Singh and Ms. Shiva Patel. Along with group photo session with all faculty members, staff and Department head CSE.

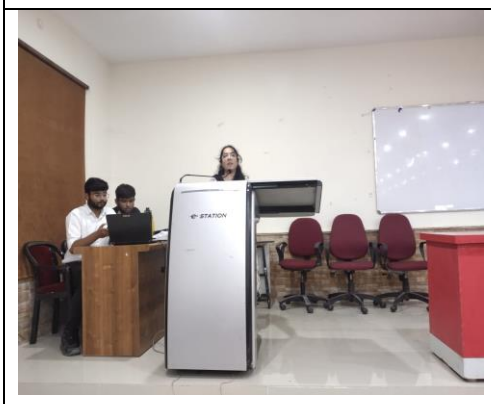
Some Glimpses of the Program:



At the end of every session, there was a question-answer session where students were allowed to ask any query regarding the topics covered by the faculty and also to interact with other faculty. Students really enjoyed the session and found it was very useful for them. Overall the program was very successful.
