Report of Orientation Program

The orientation program for B. Tech, CSE-Ist Year, Semester-II Computer Science & Engineering (Session: Jan -June 2024) was conducted in CSE Lab I on 25th January 2024. Total No. of students who have been attended the Program were 17.

Detailed Report CSE: Ist Year

The program began with the message of Head of Department (HOD), Dr. Manish Dixit. He had motivated students to react smartly and use their presence of mind during any difficult situation in both their professional and personal life. He had also motivated students to take part in regular class activity in campus.

The next session was hosted by Dr. Jaimala Jha class coordinator CSE Ist year, She has given the brief overview about the curriculum and scheme of CSE II sem and the syllabus along with the time table. Also give information, about the session plan. The other session has taken by Prof. Amit Manjhwar, he has covered the information about the departmental news letter and other relative activity.

Another important concern is "Alumni cell" of the department, Dr. Gagandeep Kaur has Interacted with the students, and talked about what is necessary to achieve the carriers' goals and current Placement trends. Continue with this session Dr. Kuldeep Tripathi explained the importance of Placement/Industry collaboration, Internship, MoU's etc. For delivering the Swayam & NPTEL information Prof. Smita Parte has interacted with students and covered the complete information about Swayam & NPTEL platform. Also provided the information about the open categories' subjects and electives subjects scope in the curriculum. Dr. Rohit Agarwal has explained about the OBE and its importance for the students and also instruct the new education policy.

The last session was covered by Dr. Parul Saxena, she has explained the importance of remedial classes to the students.

At the end of the programme coordinator has instructed to the students, that they should attend regular class and remedial classes as well. And also told them if any students will take leave due to any emergency or any reason. He or she has to take prior permission for the leave to the HOD and coordinators. She also told to the students about the continuous evaluation measures which included in their schemes.

<u>**Report of Orientation Program**</u>

The orientation program for B. Tech, CSD-Ist Year, Semester-II Computer Science & Engineering (Session: Jan -June 2024) was conducted in CSE Lab I on 25th January 2024. Total 08 students attended the program.

Detailed Report CSD: Ist Year

The program began with the message of Head of Department (HOD), Dr. Manish Dixit. He taught students to stay cool and think clearly in tough situations, both at work and in their personal lives. He also made class fun and interesting, so everyone wanted to participate. It wasn't just about memorizing stuff, it was about learning how to handle real-life challenges
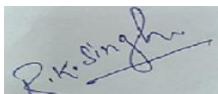

CSD students had two informative sessions: Prof. Khusboo Agarwal the 2nd semester curriculum, including the syllabus and timetable, for online learning resources, Prof. Smita Parte introduced the Swayam & NPTEL platforms, explaining available subjects and electives.

The sessions continued with valuable insights from alumni, industry, and educational platforms. Dr. <u>Jaimala Jha</u> shared her thoughts about placement and industry collaboration. Dr. Ranjeet discusses the importance of Feedback and curriculum. Prof. Amit shared departmental news and upcoming activities. Both sessions helped students stay informed and prepared for the semester ahead. Dr. Gagandeep Kaur from the Alumni Cell guided students on career goals and current placement trends. Dr. Kuldeep Tripathi emphasized the importance of industry collaboration, internships, and partnerships for placements. Finally, Dr. Rohit Agrawal shed light on the Outcome-Based Education system (OBE) and its significance, along with updates on the New Education Policy. These sessions equipped students with crucial information for their academic and professional journey.

To conclude the informative sessions, Prof. Khusboo Agarwal highlighted the importance of remedial classes for academic success. The program coordinator emphasized:

● Regular attendance: Attending both regular and remedial classes is crucial.
● Leave protocol: Seek prior permission from HOD and coordinators for any absence.
● Continuous evaluation: Familiarize yourselves with the evaluation processes outlined in your schemes.

These final points aimed to ensure that students have a smooth and successful academic journey by emphasizing the importance of active participation, responsible absences, and understanding assessment methods.

ORIENTATION PROGRAM
1st Year (MCA/M.Tech)

Date: 1/02/2024

The orientation program for MCA/M.Tech, I Year, Semester-II (Session: Jan-June 2024) students was conducted in the coordination of Dr. Parul Saxena, Prof. Mahesh Parmar in room no LT1, dated 25/01/2024 at 11:00 AM onwards.

Head of the Department (HOD), Dr. Manish Dixit welcomed all the students of 1st. With the help of short stories, he had motivated students to react smartly and use their presence of mind during any difficult situation in both their professional and personal life. Message to all students attending the regular classes & update yourself because the computer science branch has a lot of opportunities.

Dr. R. S. Jadon had presented the Vision and Mission of the college and department of CSE. He welcomes the students & tells them the Vision, Mission & Branding Statement of the Institute/Department. The next session was about the Placement Details, Placement/Industry collaboration, and Carrier Opportunities. In this session, he was present to interact with students and gave them the information about company placement and GATE examination. He said that along with placement, the GATE exam is also a good option to make their carrier in the field of PSU selections.

In continuation with this, Dr. Anshu Chaturvedi, informed about the first year MCA Programme and also informed about OBE, DE, OC, Alumni interaction & AI club. Prof. Mahesh Parmar, discusses the scheme and syllabus of M. Tech. Dr. Parul Saxena, informed how to access Moodle & also informed about importance of all feedbacks and SWAYAM/NPTEL courses offered by Department and extension activities.
