Poster of Event

The **Gandhi Jayanti** and **Lal Bahadur Shastri Jayanti** celebration organized by the Department of Computer Science and Engineering was a meaningful tribute to two of India's most revered leaders. Through engaging activities and reflections, we were reminded of the timeless values of peace, non-violence, integrity, and service to the nation that Mahatma Gandhi and Lal Bahadur Shastri embodied. The event inspired students to embrace these principles in their personal and professional lives, reinforcing the importance of ethical leadership, social responsibility, and unity. As we move forward, may we continue to honor their legacy by striving to make a positive impact in our communities, just as these visionary leaders did.
