

## Department of Computer Science and Engineering

An expert interaction session was successfully conducted under the **CID Cell, Department of Computer Science and Engineering, MITS Gwalior**, on **16 April 2026** in **Room SH-07**. The session was delivered by **Mr. Ravikant Sharma, Solution Architect, AWS, London, UK**, who is also a **proud alumnus of MITS Gwalior from the 2013 batch**, for the students of **CSE and CSD 1st, 2nd, and 3rd year**.

The session witnessed an enthusiastic participation of **80 students**, who actively engaged with the speaker throughout the program. Mr. Sharma shared valuable insights from his **professional journey at Amazon Web Services (AWS)** and explained how students can prepare themselves to become **industry-ready professionals**.

During the session, he highlighted the significance of:

- **Internships** and their role in practical learning
- Latest **technologies and tools** that students should learn
- Understanding the **AWS journey and cloud ecosystem**
- Importance of **professional certifications** for career growth
- Developing impactful **minor and major projects**
- Enhancing technical skills to meet **industry expectations**

Mr. Sharma emphasized that academic knowledge must be complemented with practical exposure, innovation, and continuous upskilling to succeed in today's competitive technology landscape.

The session proved to be highly informative and motivating for the participants, providing them with a clear roadmap for career development in the field of computer science and cloud technologies.

The Department of CSE sincerely thanks **Mr. Ravikant Sharma** for returning to his alma mater and inspiring students with his knowledge, experience, and professional achievements.
