

## Department of Computer Science and Engineering

The **Department of Computer Science and Engineering, MITS Gwalior**, in association with the IEEE Student Chapter and IEEE Computer Society, successfully organized an **Expert Talk** titled **“Engineering Your Career: Technical & Non-Technical Pathways”** on **17 March 2026** in **Room SH-07** from **4:00 PM to 6:00 PM**.

The session was delivered by **Ms. Sakshi Vyas**, a distinguished **alumna of MITS Gwalior**, currently serving as **Senior Solutions Architect** at Hitachi Vantara, for the students of **2nd year CSE and CSD**. The event witnessed the participation of approximately **100 students**, who attended the session with great enthusiasm and interest.

During the interactive session, Ms. Vyas shared valuable insights on the diverse **career opportunities available for engineering students**, focusing on both **technical and non-technical career pathways**. Drawing from her professional experience in designing **hybrid and on-premise technology solutions**, she explained how engineers can create impact across multiple domains of the technology industry.

She discussed her professional journey from working at NetApp, where she developed expertise in **presales and customer engagement**, to her current leadership role at Hitachi Vantara, where she architects **innovative enterprise data and cloud solutions** for clients. She also highlighted the importance of combining technical expertise with strategic thinking to succeed in modern technology careers.

Key topics discussed during the session included:

- Career opportunities in **software development and technical architecture**
- Emerging roles in **product management, consulting, and presales**
- Importance of **communication and professional skills**
- Role of **internships and practical exposure**
- Building a strong **professional profile**
- Importance of **continuous learning and certifications**
- Understanding **cloud computing and data management trends**
- Strategies for making informed **career decisions**

Ms. Vyas encouraged students to remain adaptable, continuously upgrade their skills, and confidently explore career paths that align with their strengths and aspirations.

The session proved to be highly informative and inspiring for the participants, helping them gain a broader understanding of the professional opportunities available after engineering.

The Department of CSE expresses its sincere gratitude to **Ms. Sakshi Vyas** for returning to her alma mater and motivating students through her valuable experiences and professional guidance.

### Common Mistakes to Avoid

**LATE PREP**  
BUILDING SKILLS  
LEFT NO TIME

**MARKS FOCUS**  
PROJECTS & SOFT  
SKILLS IGNORED

**IGNORE SKILLS**  
COMMUNICATION,  
PRESENTATION MATTER

**NO EXPLORING**  
AWARE OF ALL  
CAREER OPTIONS

#### Don't Let These Hold You Back

**Starting Too Late**  
Preparation needs months,  
not days

**Marks Over Skills**  
GPA opens doors; skills close  
offers

**Ignoring Soft Skills**  
How you communicate is  
half the interview

**Not Exploring Paths**  
Know your options before  
the deadline

☐ "Awareness is your biggest advantage."
