Additional Comments by faculties:

- Lot of text books and e books are available.
- A I and Machine learning must be emphasized.
- In All competitive exams and public sector exams, TOC questions are always asked . For further studies through GATE, it is a very important subject. Students employability skills have been enhanced through flexi curriculum. NEC enhanced the confidence in the area of his interest.
- There are a lot of research scholars working in the department.Some research scholars are getting fellowship under NDF scheme.
- Regular workshops and training programs are organized
- Yes, the institute gives all support for faculty.
- Suggestions for (i) Honours, (ii) Minor specialization, (iii) Departmental electives, (iv) Open electives:
- Deep Learning   Robotics, Machine Learning, Image Processing

Suggestions given by parents for improvement

Suggestion for further improvement(if any)	Action Taken
What is the scheme related to oc i think if oc subject converted to oc student performance so much better .oc is already is a subject for other subject student how to manage other branch subject in final year its time to placement preparation or any higher study preparation so i think maximum time consumed in oc course.	It is mandatory for course curriculum scheme.
Placement training part must be focused more	Various training placement activity conducted in semester-wise
Every thing is fine	
Desire of Regular Communication to and from parents with faculty on Specified WhatsApp Group,As elsewhere	Already Whatsapp groups have been created for communication.
Account Section is not cooperative . The way they are talking is just rediculous	
Classes shall be started in the offline mode as soon as possible.	Already done
Please have colleges opened offline as soon as possible.. Corona is here to stay but the future of my child depends highly on these remaining 2 years and we want them to be as productive to him as they can be.. so sincere request for opening the college offline	
Make more competitive environment and awareness among students regarding their career needs in terms of guidance.	Various activities and workshops have been conducted in every semester.
Improving network connection and completing the syllabus on time.	Syllabus completed before teaching end
