## Department of CSE Program: MCA

### Report for Orientation of Second Year MCA(III Semester)

An Orientation for Second Year MCA was conducted on 1<sup>st</sup> August, 2023 from 11:00 AM

#### **Objective:**

The Objective of this program was to make students come in closer discussion with their teachers, so that they get academic as well as moral support for their future endeavours. Along with this, this was an effort to make students aware about their scheme, course, outcomes, feedback procedure and it's importance. The students are also not at ease and feel under pressure because of so many changes in the mode of teaching. So, this was an effort put forward to somehow help the students overcome and discuss the issues they are facing in their academics.

#### **Discussion:**

The event commenced with the class coordinator Dr. Anshu Chaturvedi's invitation to Dr. Manish Dixit, HoD, CSE to address the students. He informed the students about the department and asked them to participate in various actively. Next Dr. R. S. Jadon discussed about the trainings and campus placement procedures. He also emphasized that the students should attend classes regularly as far as possible. Although, he reflected, that the recordings are made available to students so that they can learn with the availability of time and as per their time. Thereafter, Dr. Anshu Chaturvedi, outlined the scheme structure, the importance of Cos and their feedbacks with the students, asked to attempt quiz and assignment regularly and also sorted out certain of their queries, followed by Prof. Parul Saxena who talked about the remedial classes.

The event was attended by **20** students out of **73**.

In the end, the class coordinator, once again asked the students to keep their morals high and put their best effort for their studies. The session ended with Vote of Thanks by Dr. Anshu Chaturvedi.

#### **Outcome:**

The following would be the outcome of the session:

1. The students would be more aware about the academic system and their course.
2. There would be more clarity with respect to the procedures and processes being followed
3. The solutions provided would result in better understanding and interpersonal relationships.
4. Providing a platform to the student to discuss their issues would lead to improvement in academics and overall performance of the students.
