# EVENTS

The students of Department of Architecture and Planning celebrated NASA day on 22 September by organizing various events and hosting a guest lecture conducted by Ar. Harshita Mishra on Sustainability of buildings.

# NASA AND WORKSHOP

The students of Department of Architecture and Planning participated in the Annual NASA Design Competition and built a life scale model which comes in daily use for various purposes.

The structure was built in the courtyard with the purpose of providing a seating and interaction space for the students and for the occasional teaching sessions for the underprivileged children.

This structure was built with the purpose of exhibiting the paintings of Chitravali art commonly found in the Malva region of Madhya Pradesh.

## WORKSHOP

Ar. Satyam Shukla conducted an in-house workshop on architectural photography on 6th October followed by on-site photography exercises, co-ordinated by Ar. Richa Mishra.
