DEPARTMENTAL ACTIVITY

- **Plantation Activities:** The Architecture Department conducts plantation drives to promote environmental awareness and sustainable practices among students.
- **Building Activities:** Students participate in designing and assisting in small building projects for NGOs, gaining practical experience while contributing to social development.
- **Physical Activities:** The department encourages student participation in sports and fitness activities to support physical health and overall well-being.

HISTORIC CITIES SERIES

The Architecture Department organized an event under the Historic Cities Series to create awareness about the heritage structures of Gwalior city. A team of experts from Delhi led the event, sharing insights on the historical significance, architectural value, and conservation of Gwalior's heritage buildings.
