**Report on Kite Making and Flying Festival**

<b>Type of activity:</b>	Extra curricular Activity
<b>Title of the activity:</b>	Kite Making and Flying Festival"
<b>Date and duration of Activity:</b>	17.02.2024
<b>Number of Participants:</b>	107 [99 Students, 6 Faculty, 1 Staff]
<b>Coordinator:</b>	Ar. Versha Sinha, Assistant Professor, Department of Architecture and Planning, Creative Architects Club
<b>Objectives of the Event:</b>	<ul style="list-style-type: none"><li>• To foster creativity and innovation among students through kite making.</li><li>• To promote teamwork and collaboration among participants.</li><li>• To celebrate the rich cultural tradition of kite flying.</li></ul>
<b>Description of the program, Activities and Highlights:</b>	<p>The Kite Making and Flying Festival was a vibrant and engaging event organized by the students of Architecture (Bachelor of Architecture) at MITS College. As the Event Coordinator, I am pleased to present this report detailing the successful execution of the festival.</p> <p><b>Date &amp; Venue:</b> The festival took place on 17.02.2024 at the spacious Basketball ground of MITS College. The venue provided ample space for kite flying activities and creative kite making workshops.</p> <p><b>Kite Making Workshops:</b> Throughout the day, interactive kite making workshops were conducted, where students had the opportunity to design and construct their kites using various materials and techniques. The workshops were well-received, with participants showcasing their artistic talents and experimenting with different designs.</p> <p><b>Kite Flying Competition:</b> A highlight of the festival was the kite flying competition, which saw enthusiastic participation from students. Participants displayed their flying skills and creativity as they maneuvered their kites in the sky.</p> <p><b>Cultural Performances:</b> To add to the festive atmosphere, cultural performances such as traditional music and dance were organized. These performances provided entertainment and enriched the cultural experience of the event.</p> <p><b>Refreshments:</b> Refreshments were set up, ensuring that participants could enjoy delicious treats while engaging in the festivities.</p>
<b>Success Metrics:</b>	<p><b>Attendance:</b> The festival witnessed a large turnout of students from across the college, demonstrating widespread interest and participation.</p> <p><b>Engagement:</b> Participants actively participated in the various activities, demonstrating creativity, teamwork, and enthusiasm.</p> <p><b>Positive Feedback:</b> Feedback from attendees was overwhelmingly positive, with many expressing appreciation for the well-organized event and enjoyable experience.</p> <p><b>Cleanup Drive:</b> Students cleaned the space as they left (their refreshment wrappers, the remains of Kites and the threads, etc.).</p>
