

**MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR (M.P.)**

(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV, Bhopal)

**Department of Architecture and Planning**

Date: 15/01/2023

**Combined Completion Report of the Workshop on “ Exploring Innovative Urban Design Approaches for Gwalior City ” in Department of Architecture & Planning,**

**MITS Gwalior**

<b>Type of activity:</b>	Urban Design studio collaboration with Sinhgad college of Architecture, Pune
<b>Title of activity:</b>	"Exploring Innovative Urban Design Approaches for Gwalior City"
<b>Date and duration of activity:</b>	The training-workshop took place from 10th to 12th January 2023
<b>Number of Participants:</b>	80
<b>Resource Person:</b>	Ar Satyam Shukla (Urban Designer)
<b>Objectives of the workshop:</b>	<ol style="list-style-type: none"><li>1. To enhance participants' understanding of urban design principles and their relevance to Gwalior's unique urban challenges.</li><li>2. To explore and analyze case studies of successful urban design projects from around the world for inspiration.</li><li>3. To engage participants in a collaborative design thinking process focused on Gwalior's urban development.</li><li>4. To foster a sense of community involvement and ownership in shaping the future of Gwalior's urban landscape.</li><li>5. To empower participants with tools and knowledge to propose sustainable and people-centric urban design solutions.</li></ol>

**MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR (M.P.)**

(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV, Bhopal)

**Department of Architecture and Planning**

<b>Outcome of the workshop:</b>	<ol style="list-style-type: none"><li>1. Participants will gain a comprehensive understanding of the urban design process and its importance in addressing Gwalior's urban issues.</li><li>2. Participants will be able to critically assess and draw insights from international urban design case studies, applying them to Gwalior's context.</li><li>3. Participants will actively participate in brainstorming and ideation sessions to develop innovative urban design concepts for Gwalior.</li><li>4. A collaborative design vision or proposal for a specific area or challenge in Gwalior city will be generated during the workshop.</li><li>5. Participants will leave the workshop with a toolkit of urban design strategies and approaches to contribute effectively to Gwalior's urban development.</li><li>6. The workshop will promote networking and collaboration among urban design enthusiasts, potentially leading to future initiatives and projects for the city's benefit.</li></ol>
