

Mini Recording Studio

As per flexible curriculum scheme, to record video lectures for open category courses (OCs) and Mandatory audit courses (MAC), Value added courses, Skill development course, Summer Internship modules and to take live classes.

A mini recording studio has been developed in the department of Electrical Engineering to produce educational content. Inauguration of the studio was launched by **Dr.ManjareePandit (Dean Academics)**, and **Dr.Laxmi Srivastava (HoD)** in new computer lab of the Electrical department. The faculty in charge of recording studio is **Prof.Praveen Bansal**
