## Important Instructions for Students

Timely register in NEC, / OCs/ DEs course before deadlines via IMS or any other portal.

III and V semester must have to enroll in NPTEL courses from the pool of courses available in department WebPages

Regularly check MOODLE for attendance and other learning resources (materials) updated by the faculty/staffs.

As per RGPV norms, those students have poor attendance then he/she will not allow in end semester  examinations

For continuous evaluation timely submit the assignment and quizzes

Mandatory to appear to appear in both the Mid-Semester Examinations.

Students who were failed in previous semester must attend remedial classes

Make a habit to visit Institute website regularly (www.mitsgwalior.in)

## Special Instructions for SWAYAM (NPTEL)

Students are advised to use a single Gmail id for registration in SWAYAM courses

Students must choose a **YES** option for asking "Do you want to share the data with the college" during exam fee registration

Students submit the assignment from the same ID, that they were used for course exam registration and enrollment (important)

They must enter the correct name and enrolment no during the course and exam registration

They must have to submit the fee for the course offered in department electives

Photos uploaded during exam registration will be clear and have only the picture of the concerned applicant only

Students do not cancel the course after paying the exam fee

Students ensure to enter the correct date of birth (DOB) on filling NPTEL exam registration form.

Correct DOB is required to start the exam in NPTEL centers.
