Department of Electronics Engineering

Activity Report on “Review of CO-PO Mapping”

An in-house activity has been conducted in the department on 08-08-2024 in SH-VI. The course outcomes of all the courses for the current semester (session July-Dec 2024) have been reviewed and discussed with all the faculty members. The Course Articulation Matrix has also been discussed and updated for the courses during July - Dec 2024. In brief, following points were discussed in the in-house activity,

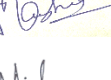

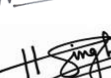

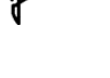

- Statements of course outcomes as per bloom’s level/ HOT & LOT
- Review of course articulation matrix of all courses.
- Target levels for % CO attainments for session July-Dec 2024 after reviewing the CO attainment for session July-Dec 2023.

List of faculty members attend the inhouse activity,

1. Dr. Vandana Vikas Thakare
2. Dr. Laxmi Shrivastava
3. Dr. Karuna Markam
4. Dr. R.P. Narwaria
