

DEPARTMENT OF ELECTRONICS ENGINEERING

Report

Title:-Online Panel Discussion and Interaction of Alumni - Students on “Industrial Demand and Current Adopted Technologies in the Field of Electronics-III” in association with IETE Bhopal centre

Date:-13th January 2025 (Monday),

Schedule:- 04:00PM– 06:00PM

Resource Persons:-

Mr. Sameer Agrawal, Data Engineer
Ltimindtree, Bangalore

Mr. Abhishek Gokhlani, Project Engineer
Accenture, Bangalore

Mr. Ritesh Kumar Vishwakarma, Sr. Executive Engineer
Indian Railways

Prof. Dheeraj Rajpoot, Asst. Professor
IGCE, Sagar

Objective of workshop:

- The main objective of the Alumni-Students interaction session was to brief the students about the latest Industrial Demand and Current Adopted different Technologies.
- To established the connection between alumni and students to impart the knowledge about the student carrier, scope of project and training/ internship and GATE examination.

Line of action:

Department of ElectronicsEngg., MITS Deemed University Gwalior conducted Online Panel Discussion and Interaction of Alumni - Students on “Industrial Demand and Current Adopted Technologies in the Field of Electronics-III” in association with IETE Bhopal centre on13thJanuary 2025 (Monday), 04:00PM.

Panel discussion was inaugurated in the presence of Dr. Vandana V. Thakare, Professor& Head of Electronics Engg. Department, Dr. R. P. Narwaria (Coordinator), Prof. D. K. Parsediya (Coordinator) and faculty members of Electronics Engg.department. Dr. R. P. Narwaria has welcome all the eminent alumni and faculty members. Also Dr. R. P. Nawaria provided brief information about the program. Prof. D. K. Parsediya introduced all the alumni and invited them for their brief

talk. Prof. Parsediya has shared a document which encompasses all the queries of students. All alumni members were motivated students about the latest technologies adopted by industrials and explain the industrial demand along with procedure of open placement. They have also encouraged the students about the placement in core electronics companies. They answer all the queries listed in the shared sheet. At the end of alumni talks, the students asked their queries to alumni. The queries are related with Placements, Industrial demands for electronics engineer, GATE exam etc. The session was ended with vote of thanks to alumni by Dr. R. P. Narwaria in the presence of Dr. P. K. Singhal, Professor, Dept. of Electronics Engineering and Ex-Chairman of IETE Bhopal Center.

Glimpses of Online Panel Discussion and Interaction of Alumni - Students on
“Industrial Demand and Current Adopted Technologies in the Field of Electronics-III” in
association with IETE Bhopal centre”

Details of participants: (Summary attached)

Number of Students = 52
Number of Alumni = 04
Number of Faculty member = 04

Outcomes:-
