Good from my end

Better topics with real-world examples.

Some refreshments must be given

Ppt should be better

.

kindly, workshop timing should be from 11 am, amazing and a very interactive gate session, liked it 👍

...

Nul

Arrangements like water and etc should be there

....

Nice

More interesting interection should be there which student can relate

Make it more interactive by having mics for students as well who wanna ask questions

Nil

The things which were told i already knew them

Everything is good

Make it more interactive

: Set and communicate clear learning outcomes before the workshop.

Best faculty

Consistency

No suggestions

Conduct the workshop On VLSI domain.

Silence in the hall in which workshop is held.

Don't make it mandatory

"Future workshops could include more interactive activities, real-life case studies, and Q&A sessions to make learning more engaging and practical."

Nothing

It shouldn't be mandatory

Include more interactive sessions and real-life examples, and perhaps provide handouts or reference material for later review."

Provide more knowledge for psu

Must know what students are interested in field

Tell about admission into iit and iims

The best workshops are the ones where participants walk away feeling both engaged and empowere

Please improve the seating arrangements

Make it interactive and relevant.

Good

It's good but it should start as per the time shared on the group

Try to maintain the discipline during the session

I don't know

Nothing everything is good

Give some refreshment to the audience

Everything was perfect

Always good

More precise lecture

Non

No suggestions as such

It could have been more interactive and fun

A session on consintency and how to deal with failures especially.

I think everything is good enough for these types of workshops

-

To improve the future workshops it should be a more informative about the agenda with some strategies along with them

it could have been more interactive

Give some refreshment
