DEPARTMENT OF ELECTRONICS ENGINEERING

E-NEWSLETTER

October-December 2024

## Department Vision

- To Prepare Globally Competent Electronics Engineers for Industrial Challenges and Societal needs.

## Department Mission

- To provide quality education through need based curriculum and effective teaching learning process.
- To imbibe professional ethics, leadership and entrepreneur skills with a passion for lifelong learning
- Strengthening of employability skills through multidisciplinary projects and internships
- To inculcate the spirit of innovation and research to serve the needs of the society and industry

## Programme Educational Objectives (PEOs)

### PEO-1

**Graduates of the program will be successful global collaborators with thriving technical and professional careers in the field of Electronics Engineering.**

### PEO-2

**Graduates will have the ability to adapt latest technologies to contribute for sustainable development of society with effective research and entrepreneurship attitude.**

### PEO-3

**Graduates will have the teamwork, professional excellence, communication, and interpersonal skills to enable them to work effectively with interdisciplinary teams in Industry, Government, and Academia**
