

**DEPARTMENT OF ENGINEERING MATHEMATICS & COMPUTING**

MAC/2025/ Webinar/Internship-Awareness

Date: 17/04/2025

**Report**

An online webinar titled "**Awareness of Industrial Internship in Engineering and Management**" was conducted on 14/04/2025 by the department in Collaboration with PIE INFOCOMM, Lucknow with the aim of guiding students towards better understanding and preparation for internships in core industries and business management sectors.

**Event Details:**

Name of the Event : **Awareness of Industrial Internship in Engineering and Management**  
Name of the Alumni : PIE INFOCOMM  
Date : April 14<sup>th</sup>, 2025  
Time: : 04:00 PM onwards  
Venue : Online  
(<https://us04web.zoom.us/j/8540029532?pwd=Z04zR2hhTWVld2p6RjVwUXo5WXkrQT09>)  
Attendees : 35

**Objective:**

The primary objectives of the webinar were:

- To create awareness among students regarding the significance of industrial internships in shaping their careers.
- To inform students about various internship opportunities available in both engineering and management sectors.
- To guide students on how to apply for internships, prepare resumes, and face interviews.
- To highlight the expectations of industries from interns and how to align academic learning with industrial needs.

**Event Highlights**

## **DEPARTMENT OF ENGINEERING MATHEMATICS & COMPUTING**

### **Outcomes:**

The outcomes of the webinar were highly impactful, including:

- Increased awareness among students about internship opportunities and their long-term benefits.
- Students gained clarity on how to search, apply, and secure relevant internships.
- Many students expressed motivation to begin preparing for upcoming internship drives.

### **Conclusion**

The webinar was a great success, achieving its intended objectives. It empowered students with essential knowledge and practical steps for navigating the world of industrial internships. The department intends to conduct follow-up sessions, resume-building workshops, and mock interview drills to further support student development.
