#### **Introduction**

Quiztopia: The Science Showdown held on 14<sup>th</sup> October, 2024 at Madhav Institute of Technology and Science was a resounding success. The event aimed to introduce students to the competitive environment. The primary agenda was to test their basic science, and aptitude knowledge through a quiz devised by the organising team.

#### **Event Highlights**

The quiz was taken via pen-paper mode. The event provided attendees a chance to tackle some tricky and competitive questions in a time bound manner. This quiz, not only piqued participants' interest but also examined some fundamental knowledge about science and aptitude. At the end of the quiz, we proudly announced the top 3 winners, who received well deserved recognition for their participation.

Quiztopia: The Science Showdown was a testament to the growing interest and enthusiasm for science among our students. We look forward to more such engaging events and opportunities for learning and growth in the future. As Department of Engineering Mathematics & Computing continues to provide a platform for students to explore the world of science and technology, we are confident that our community will flourish and contribute to the advancement of knowledge and skills in our society.
