Report

Title of the Programme : Orientation Program of 5th Semester Students, MAC
Date and Time : 05/08/2024, 10:30 AM
Venue : SH- 10
Number of Participants : 74 (enclosed).

Programme Objective:

1. Welcome students as they enter the 5th semester, acknowledging their progress and expressing enthusiasm for the new academic challenges and opportunities ahead.
2. Provide a comprehensive overview of the 5th semester syllabus, focusing on key subjects.
3. Acquaint students with the examination pattern, grading system, assessment methods, Minor project-I and NEC courses.
4. Students will be encouraged to engage actively in both technical and non-technical clubs and societies. Information will be provided about various clubs and extracurricular activities available, including their benefits, such as skill development, and personal growth.
5. Students will review their performance from previous semesters, including results from MCQs, assignments, and exams.

माधव प्रौद्योगिकी एवं विज्ञान संस्थान, ग्वालियर (म.प्र.), भारत
MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR (M.P.),
INDIA

Deemed University
(Declared under Distinct Category by Ministry of Education, Government of India)
NAAC ACCREDITED WITH A++ GRADE

Programme Outcomes: The following outcomes were taken up from the orientation program:

1. Students will feel welcomed and motivated as they begin their 5th semester, with a clear understanding of their progress and the new academic challenges and opportunities ahead.
2. Students will gain a detailed overview of the 5th semester syllabus, with a focus on key subjects and their significance, leading to a better grasp of their academic goals.
3. Students will become acquainted with the examination pattern, grading system, assessment methods, Minor Project-I, and NEC courses, ensuring they understand how they will be evaluated and what is expected of them.
4. Students will be encouraged to participate actively in technical and non-technical clubs and societies, understanding the benefits of these activities for skill development and personal growth.
5. The significance of feedback from Course Outcomes (CO), faculty, and the curriculum was discussed.
