Report of Orientation Program

Subject- Orientation Program of B.Tech. IT V Semester on 24/07/2023

As per the subject, orientation program has been conducted on 24/07/2023 with information to concerning students. In the orientation program, 12 students were present. Following activity/points have been discussed as per schedule of orientation program-

1. Class coordinator briefed about Academic calendar discussion, Importance of Attendance, Proficiency Test Conduction , Expectation of students & discussion on Scheme, Mentor Mentee session

2. Briefed & discussed on Flexible Curriculum, Minor and Honors specialization & NEP to the students.

3. Mode of Teaching, Importance of feedback (CO, PO, Faculty Feedback, Curriculum)

4. Club activities/ importance of participation in activities in other institutes are discussed.

5. Importance of Internship is briefed to students.

6. Students are motived to participate in ACM, IEEE and other institute activity. By these certifications, they can earn credit in Professional Development Course that is a component of VIII scheme.

7. Students were also briefed about the continuous evaluation process which is in practice in the Institute.

8. Importance of Integrity, Ethics & Institute guidelines for plagiarism

9. Parent Teacher meet information and importance for the activity.

10. Self-learning through Swayam & NPTEL courses

11. Industry training platform of Infosys Springboard (Infosys Campus Connect Program) was detailed to the students with its importance. Registration process on the platform was also briefed.

12. MOODLE Activity and OBE Learning

13. Credits and examination process mentioned in the scheme has been discussed with students.

Report of Orientation Program

Subject- Orientation Program of B.Tech. IT VII Semester on 24/07/2023

As per the subject, orientation program has been conducted on 24/07/2023 with information to concerning students. In the orientation program, 17 students were present. Dr. Saumil Maheshwari, Coordinator IT final Year, coordinated and conducted the program.

Objectives of Program:

- To motivate and convince students about the need for attending the classes such that their career goals are satisfied.
- To establish a better understanding and connection between the faculty and the students.
- To assess on the course wise learning of students.
- To provide the guidance regarding the selection of Open category courses and departmental courses.

Following activity/points have been discussed as per schedule of orientation program-

1. Faculty responsible briefed about flexible scheme and syllabus to the students.
2. Discussion related to Departmental electives in traditional mode was done.
3. Courses offered through Swayam/Nptel platform under DE-3 and DE-4 were discussed and detailed.
4. Mode of Teaching and Exam (Lecture and Virtual Lab): online mode, Importance of feedback (CO, PO, Faculty Feedback, Curriculum) was discussed.
5. Professional Development component (to be evaluated in VIII semester) was discussed.
6. Students are motived to participate in ACM, IEEE and other institute activity. By these certifications, they can award required 1 credit in Professional Development that is a component of VIII scheme.
7. Importance of Internship, guidelines to be followed is briefed to the students.
8. Students were briefed about Internship/projects where NOC are required to students which can be collected from department and as well as T&P cell for Internship purpose.
9. Students were also briefed about the continuous evaluation process which is in practice in the Institute regarding the internship and Major Project (Monthly progress Report).
10. Importance of Integrity, Ethics & Institute guidelines for plagiarism.
11. MOODLE Activity and OBE Learning were briefed to students.
12. Infosys Campus Connect program is briefed to students by the coordinator Dr. Sanjiv Sharma.

13. Credits and examination process for courses offered in traditional mode as well as through Swayam/Nptel as mentioned in the scheme have been discussed with students by the Dr. Punit Johari.
14. Some experience of previous semesters and takeaways from past were also discussed.

Report of Orientation Program

Session: July-Dec 2023 (B.Tech, IT &IoT Semester-III, 2nd Year)

Date: 01/08/2023

The orientation program for **B.Tech,IT &IT-IoT 2ndYear, Semester-III** was conducted in offline mode on date 01/08/2023, 10:00 AM to 04:00 PM at room number **Data Science Lab 1**. The discussion was based on prepared schedule as per **Annexure-1**. During the orientation program **10 (Ten only)** students were present [Attached **annexure-2**] and following points were discussed with students:

1. Class Coordinator (Dr. Vikram Rajpoot & Dr. Dhananjay Bisen) was discussed about Course Scheme, Syllabus, Proficiency Test Conduction, Class Time Table of 3rdSemester and also gave some information about Mode of Teaching.

2. Prof. Abhishek Dixit was discussedabout Flexible Curriculum and NEP, end term evaluation, continuous evaluation, course credits with students of IT &IT-IoT, also explained about Departmental core subjects, NEC and MAC course.

3. Dr. Saumil Maheshwarihad discussed importance of Self-learning through Swayam and NPTEL courses.

4. Prof. Neha Bhardwaj and Dr. Vikram Rajpoot discussed various feedbacks (CO, PO, Faculty Feedback, and Curriculum) with students and also explained importance of that feedback system. Vision, Mission and achievements of Department also discussed during orientation of students.

5. Prof. Punit Kumar Johari discussed examination conduction related information to students.

6. Dr. Priyanka Garghad discussed about OBE learning practice in which she gave detailed information of OBE activity, importance of Course Outcomes, PO's and PEO's.

7. Dr. Akhilesh Tiwari, HOD (IT) has interacted with students and discussion many things related to on-going departmental activities and motivate students, current flexible curriculum, about self-learning practices, NEC and SIP.

8. One special session organized by Training and Placement cell officer (Mr. Vikram S. Rajput) for promoting placement & Internship activities.

9. Furthermore, class coordinator had discussed other topics related to Proficiency Test Conduction, Remedial/additional Classes for weak Students, Moodle activities (attendance norms) and Importance of Integrity, Ethics & Institute guidelines for plagiarism.

10. Students were also advised to attend classes regularly and submit attendance, assignment, quizzes timely on Moodle.

11. Students were informed about the importance of Mid Semesters and Quizzes these are the part of continuous evaluation process.

1	0901IO221061	Sakshi Gehlot	
2	0901IO221057	Privyanka Dhakar	Privyanka
3	0901IO221059	Rohit kumar	
4	0901IO221052	Prabhat singh	
5	0901IO221015	Anuraj Sharma	Anurag

Dr. Dhananjay Bisen

During the orientation program feedbackcollected from students

Timestamp	Branch	What was your experience regarding theory classes and teaching-learning scenario in previous.	What was your experience regarding labs in previous semester	What improvement you feel in overall teaching learning scenario.	What problems you faced in any kind of practices in last semester.	What points you want to add to online orientation for any kind of improvement
1/8/2023 12:57:47	ITIoT	Good	Good	.	.	.
1/8/2023 12:59:01	ITIoT	excellent	excellent	Better communication and more feasibility	Long hours of classes + lab	Everything if fine
1/8/2023 13:25:18	ITIoT	Good	Good	Nothing	Improvement for syllabus complete time	Nothing
1/8/2023 12:40:07	IT	excellent	excellent	N/A	N/A	N/A
1/8/2023 12:28:30	ITIoT	Good	Good	None	None	None
1/8/2023 12:09:45	IT	Good	Good	Lab should be better	Nope	Nope
1/8/2023 12:09:35	ITIoT	excellent	excellent	Course must be complete at the end	Course is not completed	Please keep mid sem gap
1/8/2023 12:08:33	IT	excellent	excellent	Nothing	Nothing	Nothing.
1/8/2023 12:09:54	IT	average	average	Syllabus need to be completed on time .	Mid sem2 , proficiency, and practical exams held in the same month .this creates pressure on students.	Nothing
