Subject- Proposal of Virtual Alumni Meet on 22/02/2022 Time 03:00 PM

Branding of an academic institute is established by their Alumni. A successful alumnus can fill the gaps in the employment, training and other extracurricular activities for the students. Alumni are one of the stakeholders of our Board of studies (BoS) who play important roles in the curriculum feedback, act as a mentor in internships for students etc.

In this connection, the Alumni Cell of the department wants to organize a virtual alumni meet on 22/02/2022, Time 03:00 PM. So you are requested to give the permission to organize the same.
