मार्गदर्शन

(Skill Internship Program-1)

Organized by:
Alumni Cell-Mechanical Department

Faculty co-ordinators:

Prof. Sharad Agrawal

Dr. Gavendra Norkey

Head of Department:

Dr. C.S.Malvi

Introduction

The 'Alumni Cell' of the Mechanical Engineering Department of Madhav Institute of Technology and Science [MITS-DU], Gwalior [M.P.], successfully organized an insightful and motivational Career Guidance Session titled "**मार्गदर्शन**" (Skill Internship Program) for 1st-year Mechanical Engineering students on **23rd January 2025**.

The session was led by a distinguished alumni who shared their proven strategies for building a successful career in engineering also focused on practical advice, emphasizing the importance of skill enhancement, identifying opportunities, and leveraging personal experiences. Students were encouraged to ask questions, which allowed for direct engagement and tailored career guidance.

◆ Guest Introduction

ANIL KUMAR CHOUDHARY

MTech IISc Bangalore

Earth and Climate Science

Centre for Atmospheric and Oceanic Science

Batch : 2019- 2023

KUSUM SAHU

CG Power Industries Solution Ltd.

Bhopal

Batch : 2020-24

◆ Event Overview

The event was held on 23 JANUARY 2025 stretched across two hours (1:00PM to 3:00PM). This session aimed to equip students with essential career strategies and provide them with the right direction at the beginning of their engineering journey.

The event was marked by the participation of an esteemed alumni from the Mechanical Engineering field. The speaker shared valuable insights into building a successful engineering career, emphasizing the importance of skills enhancement, continuous learning, and seizing opportunities for personal and professional growth.

◆ Key Highlights

- Career success strategies: Practical advice on navigating the engineering industry.
- Skill enhancement: Tips on improving technical and soft skills to stand out in the competitive job market.
- Personal experiences: The alumni shared their own career journey, offering valuable lessons learned from their experiences.
- Interactive Q&A: Students had the opportunity to clarify doubts and seek personalized advice

◆ Tips for Competitive Exams

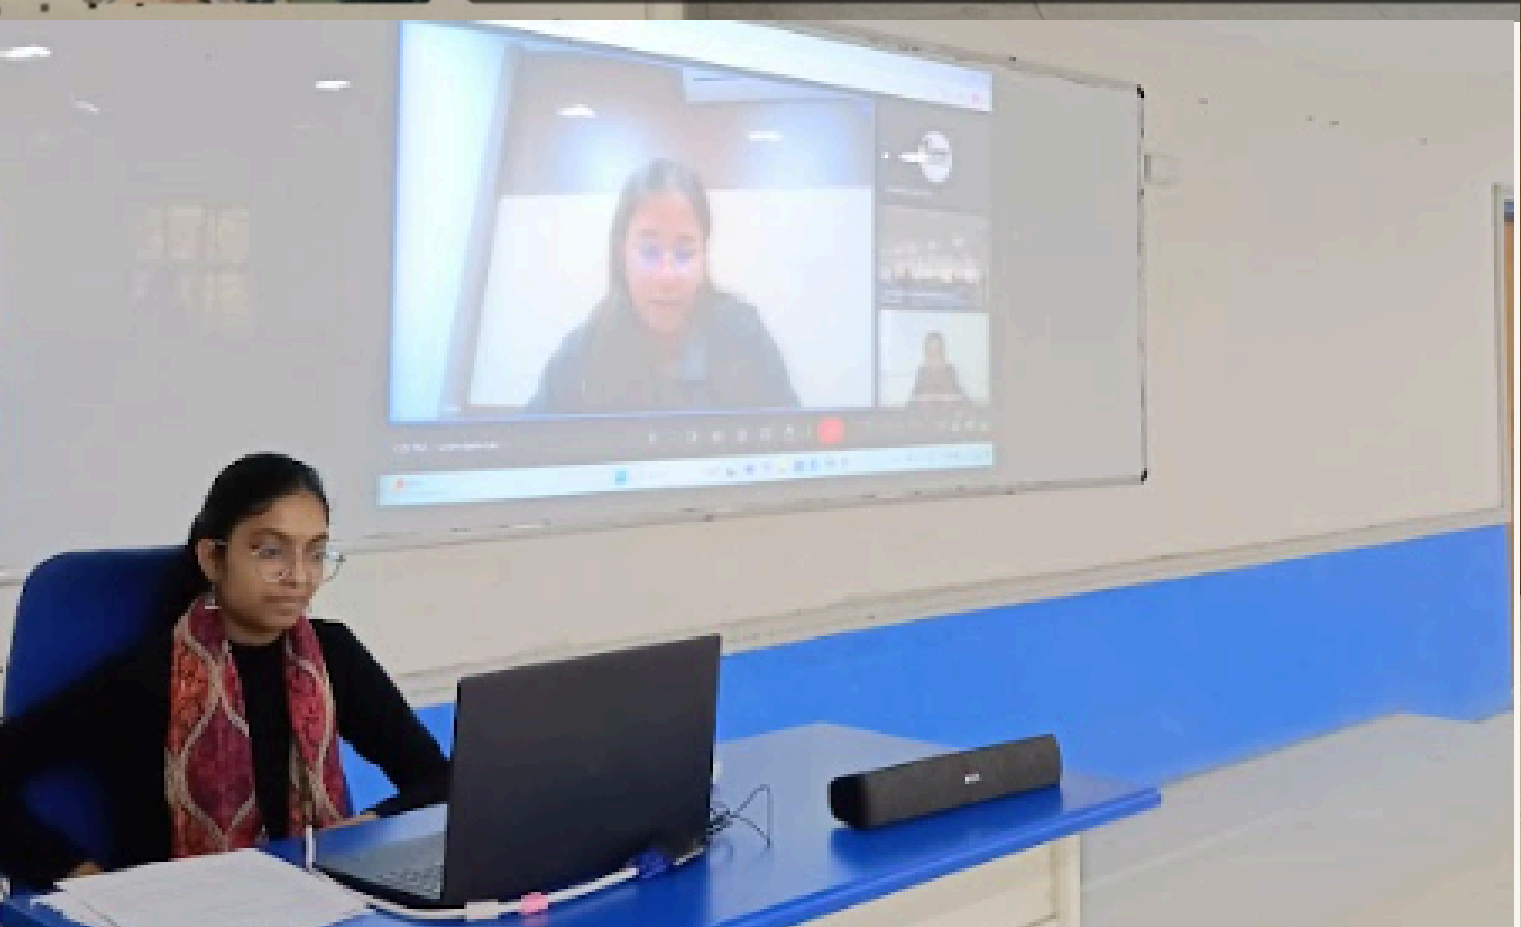

- Know the exam structure
- Master time management
- Prioritize high-weightage topics
- Practice regularly and learn from your mistakes
- Revise continuously
- Stay organized
- Stay calm and focused
- Healthy lifestyle
- Stay consistent
- Meditation 20-30 minutes daily

◆ Conclusion

The event was more than just a career talk. It aimed to inspire and motivate the students, providing them with the right mindset to approach their engineering education and future careers. The session was a great opportunity for networking, learning, and setting the foundation for future success.

Overall, the event was a success, leaving the students feeling empowered and equipped with knowledge to navigate their early career journey in Mechanical Engineering.
