

Department of Civil Engineering

VISION:

To develop civil engineers of global standards with leadership skills to serve society.

MISSION:

- *To foster academic development by offering state-of-the-art technical education at U.G. and P.G. levels through advanced teaching learning methodologies and facilities.*
- *To impart skills to the students for keeping pace with the advances in techniques and technologies.*
- *To promote research activities in various fields of civil engineering and inter disciplinary areas.*
- *To provide solutions in various domains of civil engineering for societal development.*

One of the primary engineering departments of the MITS Gwalior, is the Department of Civil Engineering offers B.E., M.E/M.Tech. degree programs. The Department actively promotes curriculum development activity by updating existing courses, developing new courses and preparing resource material for teaching. The Department has a number of ongoing research projects and sponsored research schemes from public and private sector organizations. It undertakes industrial consultancy works as a part of its interaction with industry and also organizes seminars/symposia for professional interaction. The Department contributes to the interdisciplinary academic and research activity of the Institute.
