Department of Computer Science & Engineering

VISION

To create professionally competent and socially responsible technocrats with latest knowledge and innovative ideas to uplift the academia, industry and society.

MISSION

- *To achieve academic excellence by imparting in-depth knowledge to the students through effective pedagogies and practical exposure on latest tools and technologies.*
- *To provide environment & opportunity for students to bring out their inherent talents for their overall development through training programs, workshops, projects and internships.*
- *To promote innovative research in Computer Science and Engineering and interdisciplinary domains to cater the needs of the Government, Industry and Society.*
- *To Educate and nurture entrepreneurial and ethical values through guidance and support.*

The department of CSE has an excellent & rich history and an outstanding record of contributions to the profession and community. The department is well recognized for excellence in facilities and teaching. The Department offers B.Tech., M.Tech. and Ph.D degrees. The Department has a comprehensive curriculum on topics related to all aspects of Computer Hardware and Software with an emphasis on practical learning. The course structure is up-to-date and includes courses on emerging topics to equip our students with the latest developments in Computer Science and Engineering. The Department has state-of-the-art infrastructure and computing equipment supported by high speed Ethernet and wireless networks. Our faculty members aim at delivering top class education blending their rich research experience with classroom teaching. The Department has started a new ACM Chapter and signed an MoU with Infosys under Infosys Campus Connect Program.
