

Department of Electronics Engineering

VISION

To create world class quality electronics engineers and technocrats capable of providing leadership in all spheres of life and society

MISSION

- **To provide quality education in technical and allied disciplines.**
- **To organize and arrange innovative courses in Electronics Engineering.**
- **To arrange vocational courses in the upcoming fields and innovative subjects to meet global advancements**
- **To promote research in the fields of technology and science**

The department of Electronics Engineering was established in 1981. The department offers two UG programmes Electronics Engineering and Electronics & Telecommunication Engineering with the intake of 120 and 60 students respectively and two PG programmes with the intake of 18 students in M.Tech Microwave and intake of 25 in M.E. CCN. The faculty members are actively engaged in research in the area of Adhoc Networking, Image Processing, Wireless Communication, Microwave, and Antenna Theory. They have published numerous papers in National and International Journals. The alumni of the department have secured their places in the higher echelons of the society and technical world. A good number of students are going for higher studies for their M.Tech, MBA and PhD. from different reputed institutes in India.
