"Dash-It-Up 2.0: Power BI Dashboard Creation Contest"

Date: November 15, 2025

Venue: Seminar Hall-6, MITS Gwalior

Introduction

The IETE Bhopal Centre, in collaboration with the Department of Electronics and Telecommunication Engineering, Madhav Institute of Technology and Science (MITS), Gwalior, successfully organized the "**Dash-It-Up 2.0: Power BI Dashboard Creation Contest**" on November 15, 2025. The event served as a platform for aspiring professionals to showcase innovative business ideas addressing the evolving needs of the electronics industry.

Event Participation and Objectives

A total of 60 candidates registered for the competition, forming teams of 1 to 3 members. The event aimed to identify and develop following skills among the young minds in context of data handling and data presentation:

1. **Clear Layout:** Logical, clutter-free design for easy navigation.
 2. **Interactive Visuals:** Slicers, filters, and drill-downs for dynamic data exploration.
 3. **Consistent Design:** Uniform colours, fonts, and visual hierarchy.
 4. **Meaningful Visuals:** Appropriate chart types for clear data representation.
 5. **Accurate & Real-Time Data:** Regular updates with clear labelling.
 6. **Highlighted KPIs:** Key metrics emphasized for quick insights.
 7. **Responsive Design:** Optimized for various screen sizes and devices.
 8. **User-Centric Focus:** Tailored for user needs with personalized views.
 9. **Effective Tooltips:** On-hover explanations for extra context.
 10. **Data Storytelling:** Narrative flow for better insight interpretation.
