

# PLACEMENT AND INTERNSHIP REPORT

**Training and Placement cell**

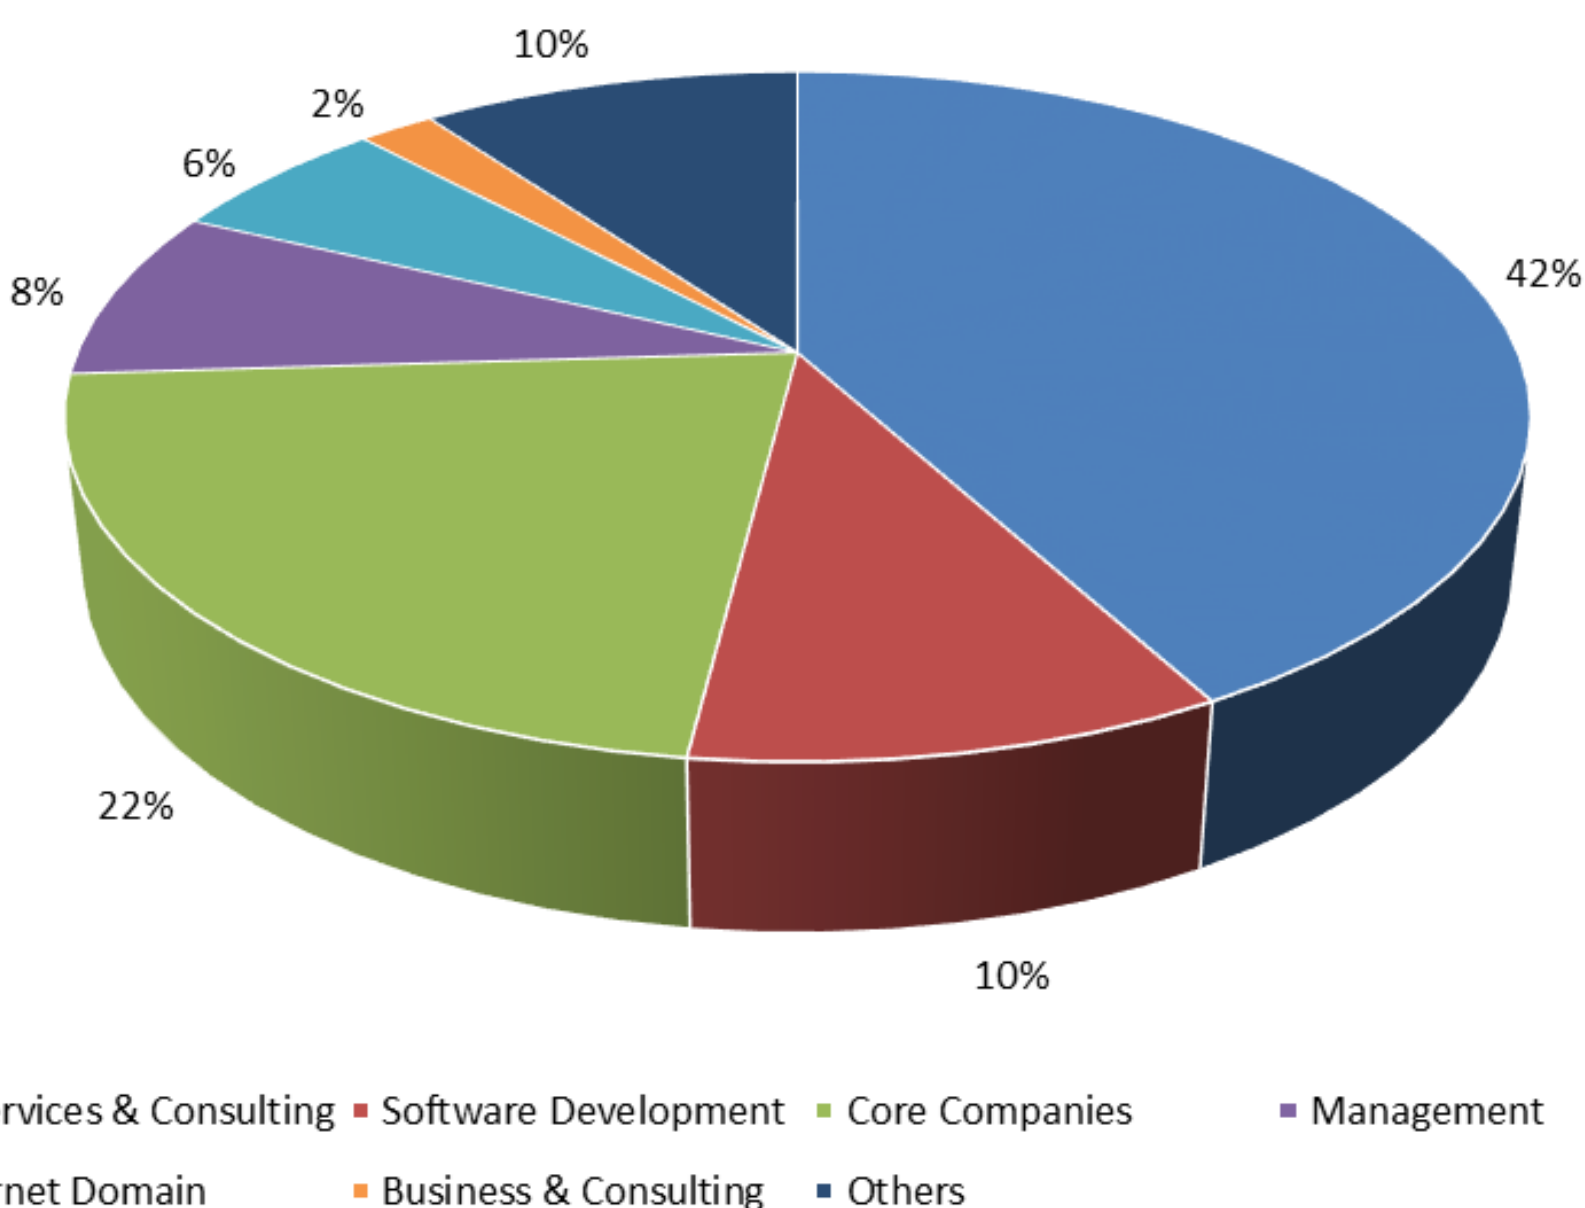

MADHAV INSTITUTE OF TECHNOLOGY AND SCIENCE,  
GWALIOR  
JULY 2022

# Placement Season 2021 – 22

MITS has the privilege of admitting the best pool of students from Madhya Pradesh into the engineering, science and management programs. The Placement Office is the nodal point for recruitment of students from the institute. The Placement Season at MITS was a virtual event throughout the year, with a few in person campus interviews in the summer. The recruited students have succeeded in living up to the expectations of the recruiters worldwide. The presence of world-class research facilities, extensive institute-industry collaborations, good international exchange programs, interdisciplinary scientific research collaborations and excellent industrial training opportunities help the students of MITS to excel and get ahead in the competitive job market.

*MITS, Gwalior witnessed promising participation of companies in campus recruitment. A total of 55 companies participated in the campus recruitment program this year across the sectors and a total of **917 offers** have been made for the academic year 2021-22. **350+** students received Internship+ job offers. The highest total package was **INR 1.0 crore** for the current placement season followed by 2nd highest CTC offered **INR 40.0 LPA** and 3rd highest **INR 25.0 LPA**. A good number of non-IT companies visited this current season and recruited the students.*

We began the placement process from the students' side with a training process during the month of August 2021 coordinating with TNP cell . We also held periodic aptitude and assessment tests arranged by our TNP cell head and coordinators. We had also shared a repository of job profiles and companies that visited us the previous year so that students can prepare ahead. Additionally, we arranged and shared resources on resume and interview preparation.

**Sector wise Classification of Companies Visited in 2022**

# KEY HIGHLIGHTS

M.Tech	9	05	10.7 LPA	6.60 LPA
MBA	5	17	10.7 LPA	5.95 LPA

# INTERNSHIP 2021-2022

MITS has started full time, 06 months internship in the Last semester of B.Tech, MCA and MBA students and getting overwhelming responses from the industry. Apart from Internships rest of the students have done Major Projects under the guidance of their department.

Highest stipend offered during internship was Rs 87,000/- per month and followed with Rs 50,000/- per month as 2nd highest.

350+ students received Internship+Job offer and 227 students received Internship with stipend.

Pre final year students also goes for 02 months internship, which is been initiated mandatory by the institution in the curriculum.

Pre-final year students have been offered Pre-placement Offers (PPOs) at the end of their internship term. These students have received internship and job offers collectively in the end of the term. PPO at MITS have improved this year, recruiter interest was highest for computer science engineering with most openings in advanced software programming in Big Data, IoT, AI and ML, AI and DS, etc. It is expected that the rising PPOs will reduce the institute's dependence on final placements. The hiring trend has been on the rise specifically for technical roles, with more companies giving PPO through internships.

# INTERNSHIP HIGHLIGHTS

## FINAL SEMESTER INTERNSHIP/PROJECT REPORT - 2022 GRADUATED BATCH

Departments	Total No. of Students	No. of Students done Internship	No. of Students done Project	No. of Students received stipend	Stipend Range (Per Month)
