## Report of Literacy Day

On **September 8th, 2022**, the **Journalism Society of MITS** actively honoured the occasion of by a bunch of activities that included a colourful poster making competition and a successful expert session! These activities aimed towards spreading awareness about the importance of literacy in a fun, creative and educational way. The entire event was organized under the guidance of faculty coordinators **Prof. Anish P. Jacob & Prof. D. K. Parsediya**. There were around **150 participants** in the event.

### Poster Making Event :

The first event was A Poster Making Competition, which was held on both offline and online mode. The event was a massive success with numerous creative submissions. The offline mode was conducted in Seminar Hall 6 with timings 1:00 – 2:00pm, while online mode included submission via a Google form. Online posters were made through graphics. Participants were given themes and had to accordingly show their creative side following the respective theme. The themes were Lack of Resources for Literacy, Government Literacy awareness Program, Gender Discrimination in Education and Expensive Education. Winners were announced later during the online expert session.

The winners are as follows:

**Handmade poster winners:**

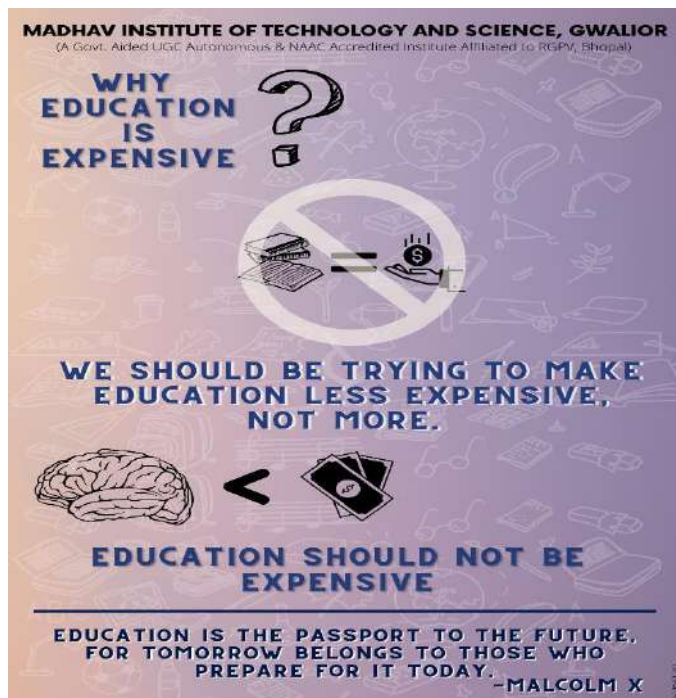

❁ Vidushi Jha

❁ Snehee Gaur

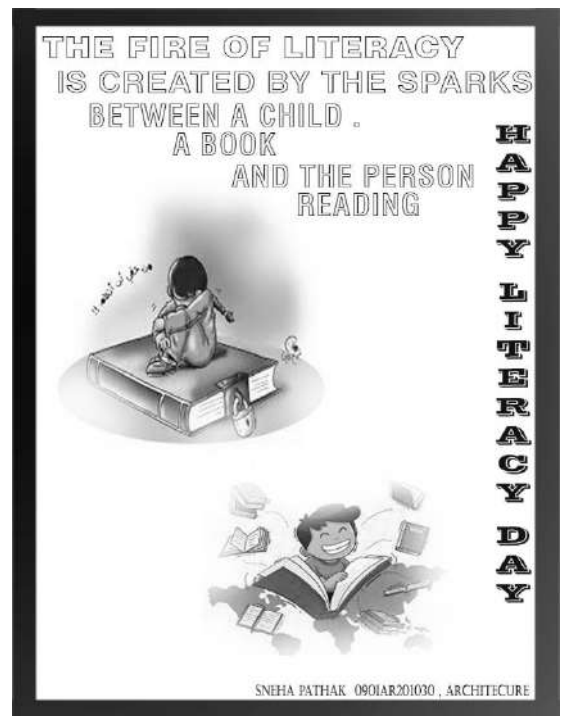

## Digital Poster winners:

✿Yashwant Soni

✿Sneha Pathak

## Expert Session :

An informative online Expert Session was held later in the day at 5pm that lasted an hour. The chief guest for the event was Dr. Neelam Mahendra who is the Ex-president of Gwalior Women's Journalism. She is a columnist in various International newspapers and also an Editor of Hindu Garjana Magazine.

The session was held on Google meet where Dr. Mahendra went over the importance of this day and beautifully explained the significance of literacy and why it's important to celebrate this occasion. Session was attended by the participants of the competition, JSM volunteers and a decent crowd of interested students. The session ended with the declaration of winners of the competition and was overall a massive success!

# EXPENSIVE EDUCATION

The cost of attending Schools/colleges has been increasing more rapidly than the rate of inflation for decades in India.

EDUCATION IS THE MOVEMENT FROM  
DARKNESS TO LIGHT.

FREE EDUCATION MEANS EXPANDED ACCESS TO EDUCATION BY  
EVERYONE. SO, IT EXPANDS TO EVERYONE TO ENSURE THAT THEY  
CAN ATTEND IT

# GOVERNMENT LITERACY

## Awareness Programme

The main purpose of Spreading literacy is to encourage awareness among people about literacy so that everyone knows about their individual and social rights. It is as important as food to live.

Our educational opportunities depend on literacy. Literacy is at the heart of basic education for all. It is also important to eradicate poverty, to reduce child mortality, to curb population growth, etc. These are some of the good reasons why literacy is at the core of Education for all.

# GOVERNMENT LITERACY AWARENESS PROGRAMME

## What is Education?

1.

Education is the medium that gives us the skills, techniques, information and knowledge to know, understand and respect the duties we have towards our society, families and the nation.

## Importance of Education

2.

Education helps a person to get knowledge and improve confidence in life. It can help you improve in your career and your personal growth. An educated person can become a great citizen in society. It helps you to take the right decisions in life.

## Importance of Education for a Country

3.

- Citizens of a country understand their true potential through the means of education.
- An educated person can strive for the betterment of a country.

## Now here's 3 steps taken by Government :

### Scholarships and financial aid:

The government provides scholarships and financial assistance to students who need help paying for college.

### Supports students with disabilities:

The Individuals with Disabilities Education Act (IDEA) is a federal law that guarantees all children with disabilities the right to free and appropriate education.

### Standards and accountability:

The government plays a role in setting standards for education and ensuring that schools are accountable for meeting those standards.

**EDUCATION**

**WORLD WOMEN DAY**

All developing regions have or have almost achieved gender parity in primary education.

But the gender disparity widens at the secondary and tertiary school levels in many countries.

70 young women for every 100 young men complete upper secondary school in low-income countries.

SDG 5: Gender Equality

**Gender Inequality in Schools has Major Future Impact**

Men are often employed as doctors, executives or businessmen.

Women are often employed as teachers, nurses or bus conductors.

On average, men earn 25% more than women.

**Paths to Equality: Transform Schools into a Gender Neutral Place**

- Equal Participation:** Ensure girls are enrolled and participate in the same amount of activities as boys.
- Change Behaviors:** Treat boys and girls equally.
- Government Has a Role:** Make teaching and learning materials free of gender biases.

**WE NEED TO STRIKE A BALANCE**

One side doesn't have to carry all the weight.

**EDUCATION**

All developing regions have or have almost achieved gender parity in primary education.

But the gender disparity widens at the secondary and tertiary school levels in many countries.

SDG 5: Gender Equality

**SDG 5: GENDER EQUALITY**

The goal of SDG 5 is to achieve gender equality and empower all women and girls.

**WHAT?**

- End discrimination against all women and girls.
- Eliminate violence against all women and girls.
- Eliminate all forms of harmful practices such as child marriage.
- Recognize and value unpaid care and domestic work.
- Ensure women's participation and leadership in decision-making.
- Ensure universal access to sexual and reproductive health and rights.

**TIPS TO PROMOTE Gender Equality IN THE CLASSROOM**

- Use gender-neutral language when referring to students. A "neutral" might be "everyone" or "class" instead of "boys" or "girls".
- Assign challenging roles to girls and boys equally.
- Monitor your own interactions with students. Watch for a tendency to interact and call on boys more frequently.
- Invite girls to take on leadership roles in the classroom.

# Gender Discrimination in Education

सोचती हूँ क्या कभी वो समय भी आएगा कि जैसे बुराई पर अच्छाई की विजय की खुशी में दशहरा मनाया जाता है वैसे ही पितृसत्ता पर लैंगिक समानता की विजय का भी कोई दिन मनाया जाएगा?

लैंगिक असमानता से पीड़ित समाज है, भारत को बदलाव की जरूरत आज है.
