Quiz on

“Commemorative Day: National Energy Conservation Day”

The Institute organized a quiz on “National Energy Conservation Day” on Dec 14th, 2022 with the coordination of Dr. Karuna Markam and Dr. Chayan Gupta.

Objective of Quiz:

The objective of the National Energy Conservation Day is to make people aware of the necessity of energy efficiency and conservation. The day addresses the ways in which we, as a society, can judiciously conserve energy by substituting non-renewable energy resources with renewable ones and reducing the overall energy consumption. The quiz was held for commencement of National Energy Conservation Day.

Line of Action:

The quiz started at sharp 6pm. In this quiz, students from different branches of the institute had participated enthusiastically. Due to such an active participation, a huge number of responses were recorded. The exciting quiz was held for an hour. The questions of the Quiz made us aware about the conservation of energy and use of renewable energy sources.

Therefore, it is necessary to create interest and awareness about energy conservations and various types of sources to the students. No doubt National Energy Conservation Day is a great way to encourage the youth of the country to come forward and also is the way to appreciate the scientists, researchers for India's growing technology towards the conservation of energy.
