(A Govt. Aided UGC Autonomous & NACC Accredited Institute Affiliated to RGPV, Bhopal)

## Report on

### **“Commemorative Day: World Telecommunication Day”**

Madhav Institute of Technology & Science, Gwalior has organized a one-day poster making competition on “**World Telecommunication Day**” on May 17th, 2023 in association with ASIMOV Robotics Club with the co-ordination of Dr. Karuna Markam and Dr. Sushmita Chaudhari.

#### **Objective Of Poster Making Competition: -**

The objective of the World Telecommunication Day is to make people aware of the importance of communication and how information travels across the world. It also aims to increase awareness of how crucial communication is in our lives, and stimulate the development of technologies in the field. The webinar was held for commencement of World Telecommunication Day.

#### **Poster Making Competition Details: -**

##### 1. Opening Ceremony:

- Start the event with an enthusiastic welcome and introduction to the poster making competition.
- Highlight the significance of 17th May and its relevance to the theme of the competition.

##### 2. Participant Presentations:

- Allocate specific time slots for each participant or group to present their posters.
- Encourage students to explain the concept, message, and symbolism behind their artwork.
- Allow participants to answer questions from the audience, promoting interaction and learning.

##### 3. Interactive Activities:

- Arrange interactive activities related to the theme of the competition.
- Provide art supplies for attendees to create their mini-posters or artwork.
- Conduct a collaborative mural painting activity, inviting everyone to contribute their artistic talents.

##### 4. Recognition and Awards:

- Announce the winners based on the judges' evaluations.
- Award certificates, trophies, or prizes to the top participants.
- Highlight the achievements of all participants and encourage them to continue exploring their artistic talents.

##### 5. Closing Ceremony:

- Thank all participants, judges, speakers, and attendees for their involvement.
- Reiterate the importance of poster making as a creative and impactful form of expression.
- Express gratitude to the organizing committee, volunteers, and sponsors for their support.

## Madhav Institute of Technology & Science

### TELECOMMUNICATION

Telecommunications, also known as telecom, is the exchange of information over significant distances by electronic means. When businesses use telecommunication technology, they can communicate directly with customers, access the information they need anywhere and anytime, keep up with their market, and create resources and relationships that help them to stay competitive. *ronic means and refers to all types of voice, data and video transmission.*

### TYPES

telephone networks, radio and television networks, the internet, satellite networks, cellular networks, and optical networks.
