Important Instructions for Session July 2024-June 2025

(All B.Tech./B.Arch. II to Final year and PG II year)

1. All the II & III year students are expected to register for mandatory Novel Engaging Courses (NEC).
2. All the II year students are required to register for the mandatory in-house internships as per the schedule displayed by the respective coordinators.
3. All students from VI semester onwards are required to register for OCs/DEs, and mandatory NPTEL courses provisioned in their scheme of study in a timely manner, as per the NPTEL schedule.
4. From V semester onwards, students can select “additional courses from NPTEL” to get minor specialization in allied discipline or Honours in chosen track of the parent discipline.
5. For V semester students it is compulsory to register (free) for one NPTEL course under the Self study/Seminar course. However, appearing in the exam and earning a certificate is not mandatory.
6. It is mandatory to appear for the proctored examination conducted by NPTEL for the courses where credit transfer provision exists in the Flexible Curriculum.
7. Students, as the primary stakeholders, are expected to give their unbiased feedback on teaching-learning conducted in theory & practical classes, curriculum & syllabi, course outcomes (COs) achieved, and contribute in the quality enhancement of institute.
8. Students must regularly check their theory & practical class attendance status and also check notices/information etc. on website/whats app group. Students should regularly use MOODLE and be in touch with their class coordinators. Those not having attendance as per the RGPV, Bhopal norms will not be allowed to appear in the examination.
9. Students are expected to submit all the assignments and appear for all the quizzes for assessment of their continuous evaluation.
10. Students must attend “Additional Classes” conducted by the faculty for clearing the doubts and discussing other academic issues, as per need.
11. For each student, it is compulsory to appear in two mid-semester examinations. The mid-semester marks will be awarded by taking the average of the two mid-semester examination marks.
12. The students are required to submit the project and internship reports as per format.
13. Students who are failing in previous semester courses are expected to attend the Special Classes for remedial purposes.
14. Exam fees will be deposited during registration but it does not mean that the students are eligible to appear in the examination unless the attendance requirements are fulfilled.
15. Students are required to maintain a copy of the fee receipt for verification.
16. The students who have applied for revaluation/Challenge case are required to provisionally register with Class Coordinator till their class promotion status is clear so that they can attend classes.
