Overview

An Expert talk session on research paper writing tools was organized on 13th March 2024 for students at Seminar Hall 3. The purpose of the Expert Talk Session on Research Paper Writing Tools was to equip students with the essential knowledge, skills, and tools required to write effective research papers. The session aimed to prepare students for the upcoming conference by enhancing their understanding of the research process and providing them with practical strategies for conducting research, analysing data, and presenting their findings.

Objective

The purpose of this workshop was to address the curricular gap arising from research paper writing as well as to encourage them to actively participate in various internship and project courses.

- The session aimed to prepare students for the upcoming conference by enhancing their understanding of the research process and providing them with practical strategies for conducting research, analysing data, and presenting their findings.
- To prepare technical or scientific documents that can be used for almost any form of publishing.

Salient Points - Session Details

Dr. Ankit Tiwari and Dr. Nikhil Paliwal welcome the participating students and motivate them to participate in departmental activities.

- Dr. Ankit Tiwari set the tone for the discussion by delving into innovative examples of primary research methods, such as interviews, surveys, focus groups, experiments, and research diaries. He emphasized the importance of selecting appropriate research methods based on the research objectives and the nature of the study.
- Dr. Nikhil Paliwal expounded on research tools essential for academic writing, referencing scholarly articles to underscore their utility. He discussed various software tools and online platforms designed to facilitate different stages of the research process, including literature review, data analysis, and citation management.
- Practical demonstrations and case studies were provided to elucidate the functionalities and advantages of utilizing research tools.

Student Feedback

The insights gained are expected to empower students in their preparation for the student conference at MITS Gwalior and beyond. Students appreciated the opportunities for interaction during the session, including Q&A sessions and discussions. The expert talk session received positive feedback from the students, who found the insights provided by both Dr. Ankit Tiwari and Dr. Nikhil Paliwal to be highly informative and beneficial for their academic pursuits. A few specific feedback points from students regarding the session:

- Students expressed appreciation for the practical utility of the session's content.
- Students expressed a desire for follow-up sessions or workshops on specific aspects covered.

The expert talk session on research paper writing tools was beneficial for students, providing essential knowledge and skills for academic success and preparing them for the MITS Gwalior conference.
