Highlights of the Session

Sir Shared his journey: AIR 11 in GATE 2024 and achieved AIR 1 in UPSC (JE) 2023 a true testament to his hard work and brilliance. He has served as a Government Officer. He is the Co-Founder, Director, and CEO of Folium Sensing Private Ltd, an innovative venture that's making a significant impact. Currently, pursuing his MTech in Electrical Engineering (VLSI) from the prestigious IIT Madras, further enhancing his knowledge and skills.

Exam preparation guidance: Mr. Chaturvedi shared how one must prepare not only academically but also mentally to succeed in the GATE or UPSC exam. He further explained how he effectively managed his preparation through self-study.

Time management: How one should manage time in college life to do competitive exam prep and innovation in the engineering domain.

Entrepreneurial Insights: Inspiration from his entrepreneurial venture, Folium Sensing Private Ltd, highlighting the significance of innovation and leadership.

Staying Motivated: Never be afraid of failure; always strive to learn from every experience.

Student Engagement: The session witnessed active participation from students, who engaged with Mr. Chaturvedi through an interactive Q&A segment. Students gained clarity on academic and career-related doubts, and many expressed gratitude for the motivational session.

Feedback and Impact: Participants unanimously appreciated the session, calling it insightful and inspiring. Many stated that the event boosted their confidence and provided clear direction for their future aspirations.

Conclusion: The Alumni Interaction Session was a resounding success, fulfilling its objective of inspiring students and fostering a deeper connection with alumni. We extend our heartfelt gratitude to **Mr. Sanidhya Chaturvedi** for his valuable time and insights and look forward to organizing more such enriching events in the future.
