## REPORT ENIGMA 2k25

**Date:** 7th, 8th & 9th February, 2025

Mode: Offline

#### **Introduction:**

Madhav Institute of Technology and Science (MITS)- Deemed University, Gwalior, successfully organized its inaugural technical fest, **Enigma 2025**, marking a significant milestone in the institution's commitment to fostering technological innovation and excellence. The fest served as a dynamic platform for students to demonstrate their technical competencies, engage in intellectually stimulating competitions, and gain insights from esteemed mentors. **Enigma 2025** was not merely an event but a celebration of knowledge, creativity, and collaboration.

#### Objectives of the Tech Fest

The primary objectives of **Enigma 2025** were as follows:

- To provide students with an opportunity to apply theoretical knowledge to practical applications.
- To facilitate healthy competition and collaboration among students in various technological domains.
- To foster innovation, analytical thinking, and problem-solving capabilities among participants.
- To bridge the gap between academia and industry by providing mentorship from distinguished professionals.

#### **Societies Involved**

The tech fest was organized by three prominent technical societies of MITS Gwalior in collaboration with additional clubs:

- ISTE (Indian Society for Technical Education) Students' Chapter MITS-DU
- IETE (Institution of Electronics and Telecommunication Engineers) Students' Forum MITS-DU
- IEEE (Institute of Electrical and Electronics Engineers) Students' Chapter **MITS-DU**

#### **Event Highlights**

The two-day fest featured a diverse array of events aimed at promoting technical and creative excellence, including:

- **Defence Seminar** A session on advancements in defence technologies and their real-world applications.
- IDP Seminar A discussion on innovative design projects and industry problem-solving methodologies.
- Cyber Security Hackproof A competition focusing on ethical hacking and cybersecurity principles.
- LAN Event (BGMI) A high-stakes gaming competition featuring **Battlegrounds Mobile India.**

- **Tech Talk** An interactive session on emerging technologies and their implications in various sectors.
- **Escape Room** A team-based puzzle-solving event designed to test logical reasoning and teamwork.
- **GATE Seminar** A comprehensive guidance session for students aspiring to excel in the **GATE** examination.
- **Digital Marketing Seminar** A workshop exploring digital marketing trends and career prospects.
- **Book Carnival** A celebration of literature, technology, and knowledge-sharing.
- Face Painting & Bracelet Making Creative activities promoting artistic expression and engagement.

#### **Sponsors and Partners**

The success of **Enigma 2025** was made possible with the generous support of our sponsors and partners, whose contributions played a crucial role in enriching the event.

#### **Event Sponsors:**

- **IDP** Providing expert guidance on overseas education and scholarships.
- Career Launcher A leading education services provider helping students achieve academic success.
- Renaissance Educare Offering top-notch training for management and competitive exams.
- **EIBO** Delivering customized IT solutions, digital marketing, and enterprise software development.

#### **Outreach & Community Partners:**

- **GDG RJIT** A vibrant community promoting technology development and innovation.
- E-Cell NIT-Bhopal (MANIT) Encouraging start-up culture and entrepreneurial growth.
- Make A Difference (MAD) An NGO dedicated to empowering underprivileged children through holistic education.

#### **Food Partners:**

- The Noodles Co. Offering a delightful fusion of flavors from around the world.
- Yummy Momos Bringing authentic taste and freshness in every bite.
- Shake It Baby Serving a variety of refreshing shakes and beverages.

#### **Esteemed Mentors and Special Guests**

The fest was enriched by the presence of renowned professionals who shared their expertise and guided students throughout the event:

- Mr. Dikshant Singh
- Mr. Jaskaran Singh
- Mr. Deepak Poonia
- Mr. Sachin Mittal
- Mr. Somil Jain
- Lt. Colonel Jitender Singh Bhadauria

Their invaluable insights and extensive experience added significant value to the event, inspiring participants to push their intellectual boundaries.

### **Outcomes of the Event**

- Over 500 students participated, showcasing remarkable enthusiasm and technical aptitude.
- Several groundbreaking ideas and projects emerged during the competitions and seminars.
- Students gained practical exposure to contemporary technological challenges and solutions.
- The fest facilitated valuable networking opportunities between students, industry professionals, and faculty members.

### **Conclusion:**

Enigma 2025 was a resounding success, setting a strong precedent for future technical fests at MITS Gwalior. The unwavering dedication of faculty members, the proactive participation of students, and the guidance of esteemed mentors were instrumental in making this event a grand accomplishment. As the institution continues its journey towards academic and technological excellence, **Enigma** will remain a beacon of inspiration for future innovators and technocrats.
