Workshop Report

2-Day Online Workshop on "Create, Collaborate & Work Dynamically Online in Google Apps" Under IQAC (19-20' June, 2021)

2-Day Online Workshop titled "Create, Collaborate & Work Dynamically Online in Google Apps" Under IQAC was held on 19-20 June 2021 in MITS Gwalior. Workshop was planned for two days and subdivided in Five sessions.

Session 1 was taken by Prof. Praveen Bansal and discussed the basics of Microsoft excel. He told about the lookup function used in excel to automatically search a specific detail written in a cell of a required criterion among the sheet of information. Session 2 was also taken by Prof. Praveen Bansal, and he talked about the online classes and live stream on YouTube. Prof. Kuldeep Swarnkar has taken the Session-3 and discussed about the usage of Moodle for setting up the classes, quizzes, assignments, and other aspects useful for online teaching.

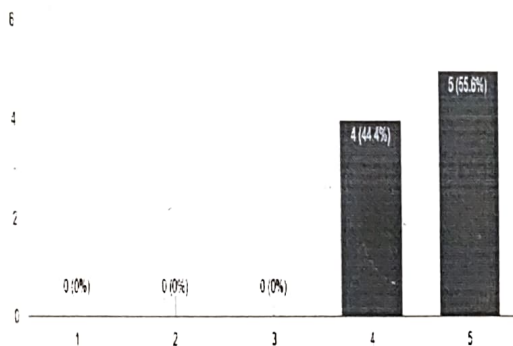

In first session of Day 2, Dr. Vikram talked about google forms and various addon that can be used along with the google form to increase the usefulness of goggle forms. In the last session Prof. Vishal Chaudhary talked about the google drive, google sheet, and google Docs for making important documents.

Participation and Feedback

About 14 participants have attended the workshop from their respective departments.

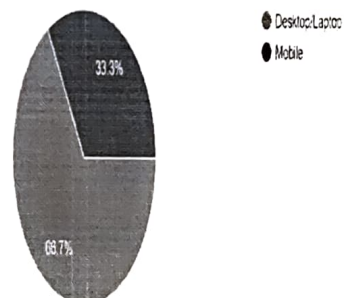

How satisfied are you with the Workshop Contents.
