World Suicide Prevention Day is observed on 10<sup>th</sup> September every year to spread awareness about taking action in order to prevent the Suicides. Suicide is an important issue in the Indian context. More than one lakh (one hundred thousand) lives are lost every year to suicide in our country. In the last two decades, the suicide rate has increased from 7.9 to 10.3 per 100,000. Mental disorders occupy a premier position in the matrix of causation of suicide. Majority of studies note that around 90% of those who die by suicide have a mental disorder. This is an initiative by Student Counselling Cell to organize one-day Webinar on “Promoting Well Being and Preventing Suicide” to create awareness among students that suicide is a major preventable cause of premature death.

Objective:

1. To create awareness regarding suicide prevention.
2. To promote students well-being.
3. Creating awareness regarding various mental health issues.

Outcomes:

1. Students were able to understand the stigmas and misconceptions of suicide.
2. Student gained essential knowledge to recognize a person at risk of suicide.
3. Students were made aware of effective Self Care Strategies for good mental health.

Self-Love is a state of appreciation for our own self that grows from the actions that support our physical, psychological and spiritual growth. Self-love means having a high value for self-well-being and happiness and taking care of needs and not sacrificing well-being to please others. It's closely related to self-esteem and self-compassion. When we have a strong sense of self-love, we understand our own value and treat ourselves in a loving way.

#### OBJECTIVES:

1. To create awareness regarding accepting yourself as you are in this very moment.
2. To create awareness that accepting emotions for what they are and putting physical, emotional and mental well-being first.
3. To promote students' well-being and help the students to make healthy choices in life.

#### OUTCOMES:

1. Students were able to understand their real self.
2. Students will have better physical and mental health.
3. Students were motivated towards positive behavior.

## Holistic Health Club

### REPORT

13.09.2021

#### **Subject: COVID -19 vaccination campaign.**

Holistic Health Club launched a vaccination campaign from 02.09.2021 to 08.09.2021 ensuring that at least the campaign was successfully accepted by the MITS family and a large participation was recorded so far.

A petition was circulated all around the MITS and almost every faculty went through it.

Around 1030 people came front and participated in the campaign.

1. There were 970 students who actively came up.

2. Also 60 college staffs including professors and other faculty coordinators participated in the campaign and took pledge to vaccinate themselves.

It was glad as the director Dr. R.K. Pandit appreciated the campaign and wished it well. Also the Dean Academics Dr. Manjaree Pandit, Dean Student Welfare Dr. Rajeev Kansal and Proctor Dr. R.S. Jadon, explained the importance of vaccination

Approx. 970 students, alumni and additional staff also participated. It was all started by a pledge cum petition with hope that whole MITS family become a prime example for the society by taking the pledge to vaccinate themselves.

DEPARTMENT OF ELECTRONICS ENGINEERING

**Report**

**Title:-** Online Panel Discussion and Interaction of Alumni - Students on “**Industrial Demand and Current Adopted Technologies**”

**Date:-** 07<sup>th</sup> August 2021 (Saturday),

**Schedule:-** 04:00PM– 06:00PM

**Resource Persons:-**

*Mr. Abhineet Singh Tomar, Embedded Electronics Engineer*  
Volvo Powertrain, Sweden

*Mr. Yasho Vijay Singh, RF & Microwave Engineer*  
Centre for Electromagnetics, CSIR - NAL, Bangalore

*Mr. Rahul Kathuria, Strategy Consultant*  
Accenture, Gurgaon, Haryana

*Mr. Anuj Paharia, Software Engineer*  
Intel, Bangalore

**Objective of workshop:**

- The main objective of the Alumni-Students interaction session was to brief the students about the latest Industrial Demand and Current Adopted different Technologies.
- To established the connection between alumni and students to impart the knowledge about the student carrier, scope of project and training/ internship and GATE examination.

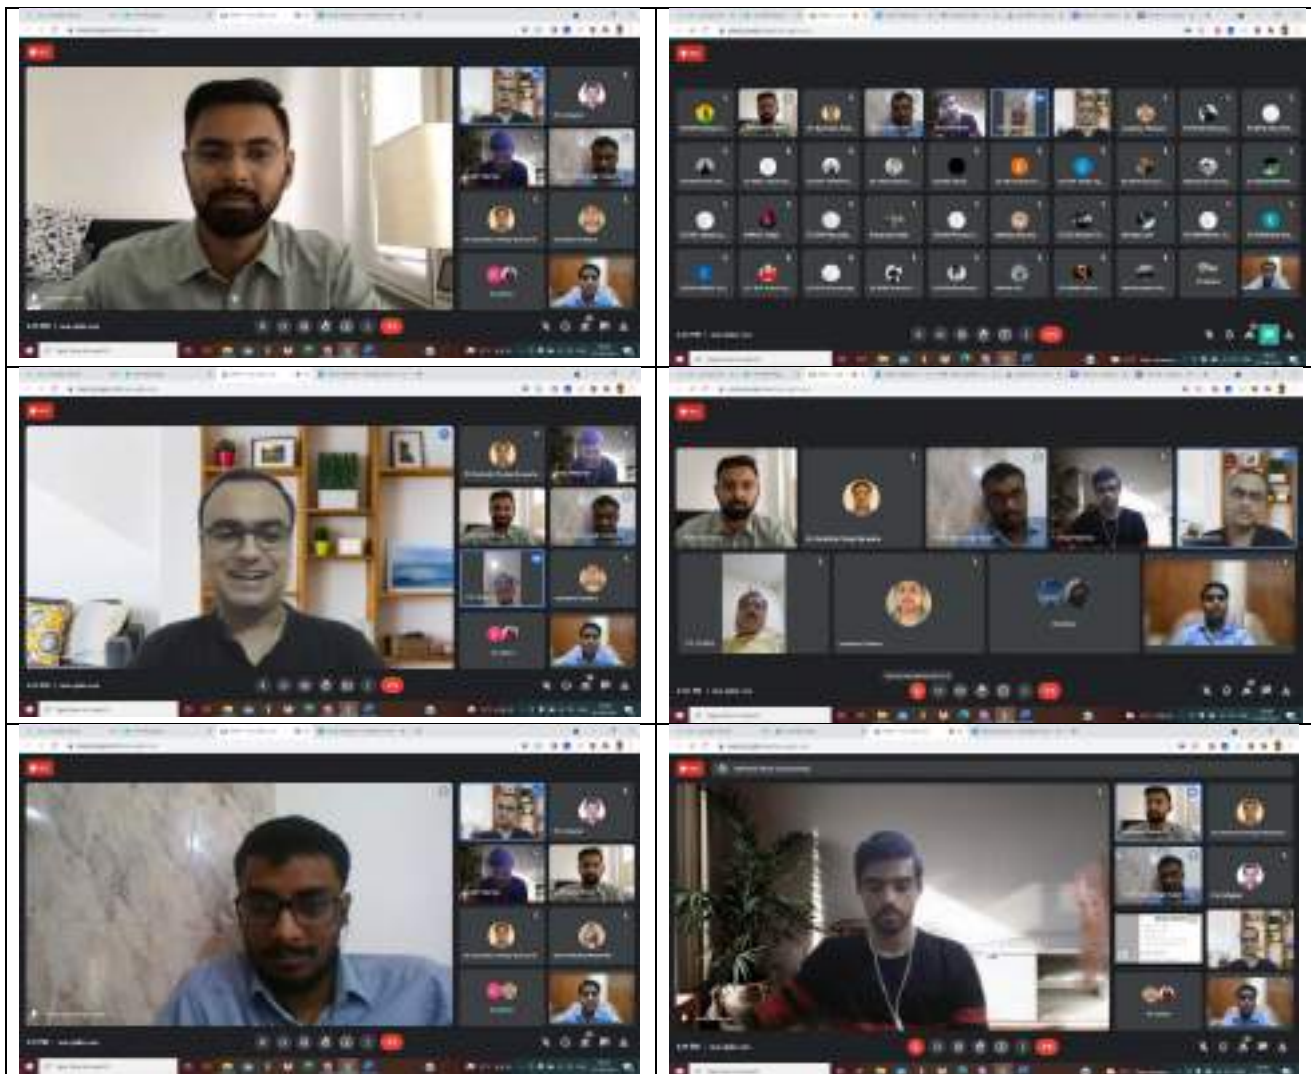

**Line of action:**

Department of Electronics Engg., MITS Gwalior conducted Online Panel Discussion and Interaction of Alumni - Students on “Industrial Demand and Current Adopted Technologies” 07<sup>th</sup> August 2021 (Saturday), 04:00PM.

Panel discussion was inaugurated in the presence of Dr. P. K. Singhal, Professor of Electronics Department, Dr. R. P. Narwaria (Coordinator), Prof. D. K. Parsediya (Coordinator) and faculty members of Electronics Engg. department. Dr. R. P. Narwaria has welcome all the eminent alumni and faculty members. Also Dr. R. P. Nawaria provided brief information about the program. Prof. D. K. Parsediya introduced all the alumni and invited them for their brief talk. All alumni members were motivated students about the latest technologies adopted by industrials. They have also encouraged the students about the placement in core electronics companies. At the end of alumni talks, the students asked their queries to alumni. The queries are related with Placements, Industrial demands for electronics engineer, GATE exam etc. The session was ended with vote of thanks to

alumni by Dr. R. P. Narwaria in the presence of Dr. Laxmi Shrivastava, H.Od. and Dr. Vandana Vikas Thakare, Associate Professor, Dept. of Electronics Engineering.

**Glimpses of Online Panel Discussion and Interaction of Alumni - Students on “Industrial Demand and Current Adopted Technologies”**

**Details of participants: (Summary attached)**

Number of Students = 80  
Number of Alumni = 04  
Number of Faculty member = 05

**Outcomes:-**

After completion of interaction session students will be able to get knowledge about the current demands of electronics industries. He/ She will be motivated for placement with good package in core electronics companies.

Hi Vikram,

Please share below mail with your college students and tell them to register for same.

Thanks,  
Sanjay Singh Negi

Hi,

Get ready to leap into the future.

Explore the advanced applications of leading technologies by industry experts.

Learn about proven data science methodologies, enterprise use-cases, and focused model development and operationalization.

Attend the session to experience a revolutionary technology paradigm.

**Date: May 11, 2022**

**Time: 13:00 – 14:00 Hrs. IST**

**Topic: Data Mesh – New Paradigm of Data Architecture**

**Speakers:**

**Abhishek Shrivastava**

Senior Technical Manager

**Ashish Dutt Sharma**

Solutions Architect

**Abhay Goel**

Senior Manager Software Engineering

Hurry, [register now](#) for this insightful session and gain an edge on leading technologies in today's competitive world.

Thanks,

Team Pathmakers

**Department of Electronics Engineering**

**Training on  
“Embedded System with Robotics”  
14<sup>th</sup> September 2021**

The Department of Electronics Engineering is organized free live online training on “Embedded System with Robotics” Conducted by Dept. of Education & Training Development Finland Labs (Unit of Revert Technology Pvt. Ltd) on 15th September 2021.

- **Name of Trainer:** Mr. Jeetu Gupta
- **Time:** 11 AM - 12.30 PM IST
- **Registration link:** <https://forms.gle/w1V8Pru6RUNGfbtK6>
- **No Registration fee**
- **E-Certificate** provided to all the participants from Dept. of Education & Training Development Finland Labs
- **Training Link** - <https://youtu.be/yfW3swmeXvs>

**Objective of Training:**

To provide the knowledge about the embedded system, Tinker-Cad software and Robotics Coding

**Participants:**

In this training there were total **107** students from M.I.T.S. Gwalior were present. The details of participant are as follows in Annexure I.

**Recording Link:** <https://www.youtube.com/watch?v=yfW3swmeXvs>

**Outcomes of the Workshop**

Students were able to understand about

- Robotics Technology and Mechanism
- Embedded System
- Robotics Protocol
- PASTEBIN software

DEPARTMENT OF ELECTRONICS ENGINEERING

**Report**

**Title:-** Online Competition on “**Innovative Ideas & Projects**” for student on the occasion of Engineer’s day

**Date:-** 15<sup>th</sup> September 2021

**Schedule:-** 01:00PM to 02:00PM

**Objective of workshop:**

- The main objective of the competition is to provide the platform to the students to think for some innovative projects and share their views and ideas with others.
- To aware the students about the importance of Engineering.

**Line of action:**

The programme was organized by department of electronics in collaboration with IETE Bhopal centre, Bhopal, India and IETE Students Forum, MITS Gwalior. The programme was inaugurated in the presence of Dr. Laxmi Shrivastava, Associate Prof. & HoD of Electronics Department, Dr. P. K. Singhal, Professor of Electronics Department, Dr. Vandana V. Thakare (Faculty advisor - ISF), Prof. D. K. Parsediya (Event Coordinator), faculty members of Electronics Engg. Department and students. Dr. Laxmi Shrivastava provided brief information about the Engineer’s day and motivated students to share their innovative ideas during competition. Dr. P. K. Singhal delivered a very interesting presentation on “life without engineering”. Dr, Vandana Vikas Thakare provided the importance of Engineer’s day celebration. The celebration encompasses online competition on “Innovative Ideas and Projects”. Total 13 students were presented their innovative ideas and project for society needs. At the end of competition the vote of thanks was given by Mr. Anmol Soni, Student of 2<sup>nd</sup> year EC.

7.	Antesh Tiwari	0901EC201024	It's an IOT based project , which insures the safety

			of E- vehicles for E rentals startups . Suppose a rentals startup wants to launch their services in sector of E-rental scooties among different tier 1 and 2 cities to make daily traveling easy among a city by their personal rental e-bikes .
8.	Naman Bhardwaj	0901EC201069	..
9.	Piyush Kumar	0901EC191079	production of cheap integrated circuits so that the requirement of india get completed and need of import get reduced.
10.	Shashwat Tripathi Samyak Jain Yogendra Patel	0901EC181089	Our idea is to design a "Smart Library". We envision Smart Libraries with books all having low frequency RFID tags near their edges. An RFID reader will run along rails just behind each shelf of a library rack. The information that it senses will be sent to the server.
11.	Tushar Khattar	0901EC191124	Thinking
12.	Vikram Singh Dangi	0901EC201132	Prevention of collision of Vehicles (road accidents) My idea is an electronic system can be designed in which very strong field can be generated around a vehicle as soon as the sensors detects another vehicle at a particular distance approaching towards it since the field gives the strong repulsive force which will deaccelerate the approaching vehicle.
13.	Utkarsh Tripathi	0901EC201127	We always see that many plants do not grow due to less or more water in unproper timing. So to tackle this problem we can make a IOT device that can measure the water availability and can give water to plants when needed. This will let the plants grow on time as well as also help in maintaining the environmental balance. By this way we can also get more crops as well.
14.	Siddharth Singh Kushwah	0901EC2010114	Start-up - Bucket

### **Two Day Online National Conference on “Role of Electronics Engineering in Aatmanirbhar Bharat” (25<sup>th</sup> - 26<sup>th</sup> November 2021)**

Title of Conference: Role of Electronics Engineering in Aatmanirbhar Bharat

Date of conference: 25-26<sup>th</sup> November 0, 2021

Mode of conduction: Online through zoom platform

Name of General Chair: Dr. Laxmi Shrivastava  
HoD & Associate Professor, Dept. of Electronics Engg., MITS

Name of Convener: Dr. P. K. Singhal,  
Professor, Dept. of Electronics Engg., MITS

Name of Coordinator: Dr. Vandana V. Thakare,  
Associate Professor, Dept. of Electronics Engg., MITS  
Mr. Deep Kishore Parsediya,  
Assistant Professor, Dept. of Electronics Engg., MITS

No. of paper presented: 57

Details of session chair:

Paper presentation Session I	Dr. P. K. Singhal
	Dr. Shubhi Kansal
Paper presentation Session II	Dr. Laxmi Shrivastava
	Dr. Varun Sharma
Paper presentation Session III	Dr. Vandana V. Thakare
Paper presentation Session IV	Dr. R. P. Narwaria
Paper presentation Session V	Dr. Karuna Markam
Paper presentation Session VI	Prof. Madhav Singh
Paper presentation Session VII	Prof. Pooja Sahoo
Paper presentation Session VIII	Prof. D. K. Parsediya
Paper presentation Session IX	Dr. Sandeep Sharma
Paper presentation Session X	Dr. Vikas Mahor
Paper presentation Session XI	Dr. Rahul Dubey
Paper presentation Session XII	Dr. Deepak Batham
Paper presentation Session XIII	Dr. Hemant Choubay

Details of Reviewers: All minor project guides

## Report of Industry Interaction Session on “EMC Testing”

Title of the Programme	Industry Interaction Session cum expert lecture on “EMC Testing”	
Date and Time	17 September, 2021 (05.00 PM-06.00 PM)	
<b>Detailed Schedule</b>		
26.08.2021	05.00 PM-06.00 PM	Industry Interaction Session cum expert lecture on “EMC Testing”
Objectives of the Program	The lecture is planned to give idea about the Testing of electronics instruments during prototype building. This event is also proposed to help students to learn opportunities and career prospects in the field of EMC testing. Expert will discuss various phases of EMC testing using software and hardware as well.	
Salient point of discussion	With the permission of Head of the Institution, an Industry Interaction Session on Electromagnetic Compatibility (EMC) Testing has been conducted on 17.09.2021 from 05.00 PM to 06.15 PM. Er. Abhishek Mishra, Senior engineer, and Team lead EMC Testing, Qualsys Technology Solution Pvt Ltd, Bangalore was the expert for the session. Er. Mishra has 15+ years of academic, research, and EMC testing. He delivered a talk on the EMC testing of electronic equipment’s. His lecture focused on the various challenges and opportunities in the field of EMC testing. Different types of EMC test have been discussed in the session. The process of EMC testing of any specific types of equipment’s along with various EMC standard was explained by the expert in detailed manner. More than 60 participants were present in the session. Dr Laxmi Shrivastava ended the session with vote of thanks to speaker. Dr Rahul Dubey coordinated the session.	
Outcomes of the Event	After completion of the event, listener will be able to: <ol style="list-style-type: none"> <li>1. Learn knowledge about EMC testing.</li> <li>2. Software and hardware units of EMC testing.</li> <li>3. Career prospects and Opportunities in the EMC testing.</li> </ol>	
Mode of workshop	Online (Google meet)	
Names of Coordinators	Dr. Rahul Dubey, Assistant Professor	
Experts	Er. Abhishek Mishra Senior Engineer and EMC testing lead Qualsys Technology Solution Pvt Ltd Banglore

# **Completion Report of the Workshop on “Building Information Modelling” in Department of Architecture & Planning, MITS Gwalior**

## **Date and Venue**

The training-workshop took place on 23-24 April 2021 through Google meet.

## **Workshop Speaker**

Ar Amol A Sathe , a BIM specialist conducted the two days’ workshop. He is an Architect having 20 years of rich experience in the Architecture & Engineering domain handled projects like High-end Residential, Hotel, Commercial, etc with a proactive attitude, & proven ability to manage multiple assignments efficiently with quality within timelines. A dynamic professional having exposure to contemporary design and management techniques in the real estate industry which adds value to the organisation, with increased profitability, by implementing best design practices, cost optimizations, value engineering techniques and latest construction technology.

## **Co-ordinator**

- Dr Anjali S Patil (Associate Professor & Head)
- Ar Dhruv Aditya Jain (Assistant Professor)

## **Agenda**

BIM(Building Information Modelling) is today’ need in Civil Engineering & Architecture where we can generate and manage digital representations of physical and functional characteristics of Structural Elements of building. BIM Model holds all the information about a structure. This model will have thousands of information stored in it related to the structure, right from the smallest nut and bolt, to the largest concrete column in the building.

This interactive workshop was accompanied with actual case studies introduces students the techniques involved in acquiring the information’s about the Structures by using BIM models in Revit and its inspection through Navis software .

## Workshop Highlights

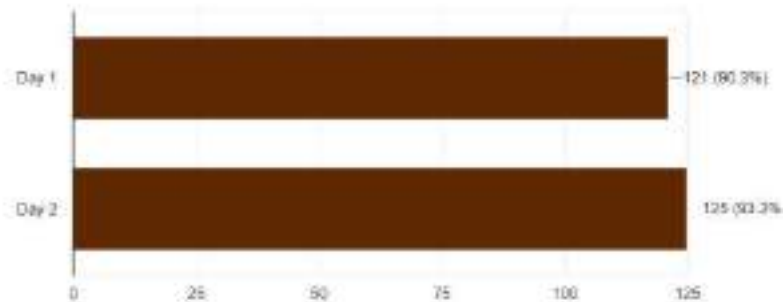

- Learned what BIM is all about and how to interpret it in Revit Software
- Understand different functionalities of BIM
- Learned how to Mass model a structure using different tool in Revit
- Generation of 3D Documents from floor plans for execution
- This workshop gave a unique opportunity to experience what happens in a real life execution of projects using BIM Documents

## Registration

**Registration** to the workshop started on 20 April '21 and ended on 23 April '21 with 134 registrations. Survey Data related to workshop calculated through Google form in the time of registration.

### Schedule

Schedule of the Workshop	
<b>Day 1 of the Workshop from the basics (23 April '21)</b>	
Session	Time
What all softwares come under BIM	12.00 pm
Revit introduction	12.10 pm
Basics of creating a model in Revit	12.20 pm
Good practices before working in Revit	12.30 pm
Modelling	12.40 pm
BOQ – quantities	12.50 pm
Drawings	1.00 pm
Exporting to CAD	1.30 pm
Questions and answers, experiences	2.00 pm
<b>Day 2 of the Workshop (24 April '21)</b>	
Session	Time
Little more in detail and Navis introduction	12.00 pm
Introduction to Navis works	12.20 pm
How and for what it is used in the industry	12.30 pm
What all information can we get from Navis	1.00 pm

Add ons like rendering , timeline 4D simulation	1.30 pm
Questions, any points etc closing	2.00 pm

## Participants

This workshop is recommended for Civil Engineering & Architecture students and faculties members interested to practically learn Building Information Modelling (BIM). 61 participants joined in first day of workshop & 46 participants joined in Second day of workshop.

## Workshop Live

The two days workshop was recorded .Link of Google drive folder having the videos of workshop . Google Drive Link - [https://drive.google.com/drive/folders/1s3tTSqy\\_h17-Jyrc6J-kXKcTsC4Y1f96?usp=sharing](https://drive.google.com/drive/folders/1s3tTSqy_h17-Jyrc6J-kXKcTsC4Y1f96?usp=sharing).

1. Ar Amol A Sathe , introducing the term BIM

- 2 Introduction to Revit Software

- 3 Discussion between Dr Anjali S Patil ((Associate Professor & Head), workshop speaker and participants.

4 Introduction to Navis Software in second day of workshop.

5 Question & Answers round among participants and workshop speaker.

## **Certificates**

Certificates issued to all the participants who attended the workshop.

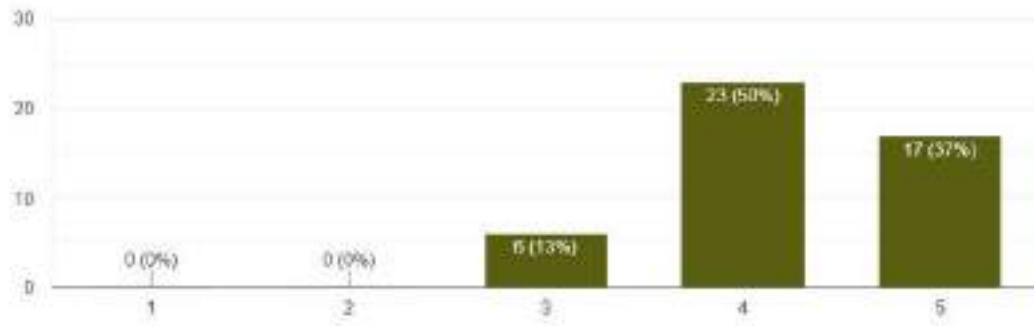

## **Feedback**

Feedback for the workshop determined through Google form on a scale of 0 to 5.

How satisfied were you with the event?

**CONFIDENTIAL – DO NOT FORWARD**

Hello All,

(TPOs of Associated Colleges in bcc)

Hope things are well with you and your loved ones!

We have been living in very interesting times and to be frank we do miss meeting with you and the quality time we spend with each one of you.

We would like to express our gratitude towards the undying support that you have been providing to Persistent through our strengthen relationships.

These challenging times have made all of us experience a lot of changes in campus hiring space and we are sure that each one of us have embraced that with open arms.

Despite such times, we were able to fulfil all our commitments made to our students joining us from across India geography. We have enabled continuous learning and engagement interventions to help students to make their campus to corporate journey smoothly.

As you are aware for this year again we have started our hiring in two phase.

The second phase Virtual Campus drives will start from 27<sup>th</sup> Aug 21. Considering the current COVID situation we will proceed with our end to end hiring process for this year virtually.

Please find below date and timing for our Pre-placement talk, Objective test and advance Coding.

Dear Vikram,

I would like to invite all the interested applicants to appear for interview scheduled for 25th and 26th December 2021 from 11 - 3:30 PM.

Our 5 HR's will take interviews simultaneously. Students have to enter their respective panels at the allotted time. The interviews will last about 10 minutes (approx). The links for the interviews will be shared tomorrow morning. The list contains the date and timing of the interview for each student. Students are supposed to join the meeting link on time. We are also conducting a "Pre-Placement Talk" for all the interested students tomorrow i.e. 25th December at 10 AM.

Kindly find the link for PPT: <https://meet.google.com/msa-ncvs-jwo>

Request students to be ready from 10:55 AM and each candidate would get 10 minutes to be interviewed.

Thanks & Regards

Dear sir,

For this process, we won't be conducting an online test for interested students as they can be tempted to use unfair means with the help of technology. So, they will only have one round of selection i.e. Personal interview round.

The interviews for all the students will be conducted on Saturday and Sunday by 5 interviewers. I will share the details by Friday.

Kindly revert to this mail with the available timing of students on Saturday and Sunday.

Regards,  
Purnima Gupta

Dear Team,

Please let us know online test date in advance so we will also inform students accordingly.

Also, please keep the online test timings flexible as students are having end sem practicals/exams.

Dear Professor,

As you may already know, InfyTQ, the learning and engagement platform for engineering students by Infosys, has recently moved to a new destination - <https://infytq.onwingspan.com/>. We have also introduced some new features to the InfyTQ platform and launched our two important programs for this year: Infosys Certification and HackWithInfy.

**Infosys Certification** is a technology accreditation that endorses industry-readiness of students and helps them build a career of their choice. The examination process for Infosys Certification will test students' knowledge in programming and databases. Students who clear the examination become an '**Infosys Certified Software Programmer**' and receive multiple opportunities to secure a job at Infosys.

**We are now conducting an exclusive webinar to share all about Infosys Certification**

Dear Sir,

In reference to the data shared we would be allowing all the candidates to appear for the interview process. I would be having a pre-placement talk with candidate tomorrow in 2<sup>nd</sup> half in a virtual meeting over Zoom. This would be an interactive session with students for about 30-45 minutes wherein I will be briefing them about the company profile, their roles and responsibilities and compensation structure. I will be open to answer the question from students to clear their queries.

The students will be getting a call from my team today and zoom link will be shared to them on their respective mail IDs for tomorrow meeting.

We would be going for paper-pencil test in next week followed by personal interview over zoom meeting.

In case of any query please revert back.

Dear Sir,

We would like to go for Recruitment and Selection drive at MITS - Gwalior for fresh electrical engineers. Job specification for the same is mentioned here as:

1. No of candidates required : 2-3

2. Education Qualification : B. Tech/B.E (Electrical)
3. Gender : No gender criterion
4. Qualifying Credentials : Min 60% Marks in SSC, HSC & Graduation (All Semester). If evaluation is done on CGPS/SGPS basis then please convert the same in to percentage.  
Candidate should have no backlogs.
5. Additional Info : Candidates preparing for GATE/GRE or any higher studies should declare the same.
6. Position & Compensation : Candidate selected will be based on NEEM Trainee/Apprenticeship role for 1 year under probation. Candidates selected will get a compensation of  
Rs. 3.6 Lacs/Annum (Rs. 30000/month) as stipend with statutory deduction during their period of trainee.
7. Confirmation & Salary Revision : Performance of selected candidate will be reviewed at the end of their probation tenure. Based on their performance they will be confirmed on the  
roles of CG or may get rejected/probation extension. Post confirmation there will be a revision in their compensation which will be as per CG policy.

Please share the list of students interested and meeting the above mentioned criterion. We will have a detailed discussion with students in a pre placement talk where there doubts and other queries will be cleared. The process of interview will be communicated after the scrutiny of students.
