## NOTICE

**Subject:** The decision taken to conduct a department level "Off-line Campus Connect Program" to sensitize the students for smooth transition from on-line to off-line classes

**Aim:** The idea behind conducting this activity is to create a sense of belongingness for the institution among the students.

As discussed in the meeting of the HoDs, Deans, Registrar and Exam Controllers with the Director the following guidelines must be followed:

1. A department level team is to be constituted by the HoD for conducting this event on the first day itself.
2. First, the students will be welcomed to the institute, followed by introduction of all faculty members.
3. Then the students will be briefed about the vision, mission of institute/department, achievement/activities, placements of past students of the institute & department through power point.
4. Students will be briefed about the provisions of Flexible Curriculum, NEP-2020, projects, internships which are there for making students "Job ready"
5. There will be introduction of students. One by one each will be asked to come forward and express his/her views/experiences of past online teaching /expectations/career goals etc.
6. Tour of labs and other institute infrastructure
7. Games, Zumba or similar other fun activities in the lawns/spaces adjoining the department (With permission from Dean Student Welfare for better coordination of spaces)
8. Each department can use their own imagination for conducting this programme within the specified guidelines above.
9. The brief report along with schedule, attendance etc. of this student support activity must be sent to the office of the Dean Academics latest by 7<sup>th</sup> March 2022.
10. The best performing department will be identified and awarded on 10<sup>th</sup> March 2022.
