Subject- Report on the Semester Closing Program for B.Tech. (Civil) IV Sem students

The Semester Closing Program for B.Tech. (Civil) IV Sem students was scheduled on 08/06/2022 from 04:00 PM to 05:00 PM. In this program, Dr. Sanjay Tiwari (Incharge Head), Dr R. Kansal, Prof. A. K. Agrawal and Prof. Gautam Bhadoriya were presented. Faculty members apprised the students about the scheme of the V Sem, Honour and Minor courses, Novel Engaging Courses, Minor Project-I and SWAYAM/MOOCs courses. Students also appraised about the issues/academic lapses of the previous batches.
The program details are as follows;

Number of students participated - 27

Full schedule of the Program is given in the following Table-

S.No.	Class	Time	Topic	Faculty
1.	IV Sem	4:00 PM- 4:05 PM	Entry of students	
2.		4:06 PM-04:10 PM	Welcome of the students and brief about the program	Dr. Hemant Shrivastava
3.		04:11 PM-04:20 PM	Briefing about the Novel Engaging Course	Dr. R. Kansal
4.		04:21 PM-04:35 PM	Briefing about the scheme of the V Sem, Honour and Minor courses	Prof. A. K. Agrawal
5.		04:36 PM -04:40 PM	Briefing about SWAYAM/MOOCs courses	Prof. Gautam Bhadoriya
6.		04:41 PM -04:45 PM	Briefing about Minor Project-I	Dr. Hemant Shrivastava
7.		04:46 PM -04:57 PM	Students views of the past semester	

Student's views of the past semester are

1. Quiz should be schedule weekly, not at the end of the semester.
2. Syllabus not completed in both section simultaneously.

Dr. Hemant Shrivastava Co-Coordinator, II Yr Civil

Subject- Report on the Semester Closing Program for B.Tech. (Civil) II Sem students

The Semester Closing Program for B.Tech. (Civil) II Sem students was scheduled on24/07/2022 from 12:30 PM to 01:30 PM. In this program, Dr. Sanjay Tiwari (Incharge Head),Dr Jayvant Choudhary, Dr. Chayan Gupta and Prof. Gautam Bhadoriya were presented. Faculty members apprised the students about the scheme of the IIIrd Sem, Novel Engaging Courses, and SWAYAM/MOOCs courses. Students also appraised about the issues/academiclapses of the previous batches.

The program details are as follows;

Number of students participated - 69

Full schedule of the Program is given in the following Table-

S.No.	Class	Time	Topic	Faculty
1.	IInd Sem	12:30 PM- 12:35 PM	Entry of students	
2.		12:36 PM-12:40 PM	Welcome of the students and brief about the program	Dr. Jayvant Choudhary
3.		12:41 PM-1:05 PM	Briefing about SWAYAM/MOOCs courses	Prof. Gautam Bhadoriya
4.		1:06 PM – 1:10 PM	Briefing about the Novel Engaging Course	Dr. Chayan Gupta
5.		1:11 PM - 01:25 PM	Briefing about the scheme of the III Sem	Dr. Jayvant Choudhary
6.		01:25 PM – 01:30 PM	Students views of the past semester	

Student's views

1. Good quality rooms should be provided for engaging offline classes (preferably withAC).

Agenda: Semester Closing Program (2nd year Mechanical Engineering)

As per the notice of dean academics DA/MP/2022/1487 dated 25/05/2022, An online meeting of 2nd year Mechanical Engineering class coordinator with students held on 01/07/2022 (Friday) at 04:30 PM with **google meet link:** https://meet.google.com/vke-zwst-buh.

Date	Time	No. of students registered	No. of students attended
01/07/2022	04:30 PM	132	56

The various issues discussed in the meeting and total 56 (fifty-six) students attended

this meeting.The following points are discussed in semester closing program meeting:

1. Scheme of V semester. New MC course added and its purpose.
2. Project allotment procedure and guidelines.
3. Honor and Minor starting from V semester.
4. Internship opportunities and preparations.
5. Mandatory audit course in V semester and guidelines for completion.

Apart from above, other enquiries/doubt are resolved during meeting.

Agenda: Semester Closing Program 3rd year (2019-23 batch) Automobile Engineering

As per the notice of dean academics DA/MP/2022/1487 dated 25/05/2022, An online meeting of 3rdyear Automobile Engineering class coordinator with students held on 08/07/2022 (Friday) at 04:00PM with google meet link: https://meet.google.com/hyb-rqfm-dns

Date	Time	No. of students registered	No. of students attended
08/07/2022	4:00pm	63	18

The various issues discussed in the meeting and total 18 (eighteen) students attended thismeeting. The following points are discussed in semester closing program meeting:

1. Scheme of VII semester.
2. Online DE courses, registration procedure has been discussed.
3. New MC course added and its purpose.
4. Honor and Minor starting for VII semester.
5. Industrial Training evaluation process has been discussed.
6. Internship opportunities and preparations.
7. Creative Problem solving course has been disscussed.

Apart from above, other enquiries/doubt are resolved during meeting.

SEMESTER CLOSING PROGRAM (FIRST YEAR)

Report

MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE GWALIOR

A Government Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV Bhopal

In view of Dean Academic Notice No. DA/MP/2022/1481 dated 25/10/5/2022. A "Semester closing Programme" (class wise) is conducted for the B.Tech (I Year), Electrical Engineering students in on-line mode. The objective of this is to prepare the students in advance for the next semester and to establish a better understanding and connect between faculty and students.

A Session has been organized under the program and was presented by faculties. The Semester closing Programme consisted of sessions on the scheme of next semester with all provisions, briefing about mandatory courses, audit courses, NECs being offered in the next semester and briefing about the role of NPTEL courses in curriculum.

At the end of the sessions, they were apprised about issues/academic lapses in previous semester, so that such cases can be avoided.

In the session conducted on 08th July 2022, forty-five (45) students were present.

Schedule

Date: - July 08, 2022

Time: - 04:00 pm onwards

Google meet Joining info:- https://meet.google.com/cor-dsct-fgp

Objective

1. To Prepare the students in advance for next semester so that the summer break can be effectively utilized for achieving their learning and career goals.

2. To establish a better understanding and connect between faculty and students.

Salient Points

This program started with an address from Dr. Vikram. In this session, students were addressed about the importance of semester closing program as it will act as bridge between the previous and upcoming semester. Then, the session was continued with the scheme of next semester with all provisions, mandatory courses, audit courses, NECs being offered in the next semester. Prof. Ankit Tiwari briefed students about the Scheme and syllabus of subjects being offered in the next semester is explained in detail. Students were guided to choose NEC courses and understand the scheme structure. Various doubts of the students regarding mandatory audit

MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE GWALIOR

A Government Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV Bhopal

Photos and Recording Link

Outcomes

1. The students are made aware of the upcoming semester Scheme and syllabus. Also, the academic calendar is shared for awareness about different academic activities.
2. The students were briefed about the importance of NPTEL courses as per their curriculum.
3. The students were also briefed about the importance of NEC and mandatory courses.

About The Program

In view of Dean Academic Notice No. DA/MP/2022/1481 dated 25/10/5/2022. A "Semester closing Programme" (class wise) is conducted for the B.Tech (II Year) students in on-line mode. The objective of this is to prepare the students in advance for the next semester and to establish a better understanding and connect between faculty and students.

A Session has been organized under the program and was presented by faculties. The Semester closing Programme consisted of sessions on the scheme of V semester with all provisions, Briefing about mandatory courses, audit courses, NECs being offered in the next semester and briefing about the role of NPTEL courses in curriculum, Minors and honors opportunities.

Importance of Data science being included in the curriculum and the opportunities it brings for growth and development of the student, discussion about minor projects ideas. At the end of the sessions, they were apprised about issues/academic lapses in previous semester, so that such cases can be avoided.

In the session conducted on 08th July 2022, Eighty (80) students were present.

Objective

1. To Prepare the students in advance for next semester so that the summer break can be effectively utilized for achieving their learning and career goals.
2. Engage students for finalizing minor project ideas and NPTEL courses.
3. To establish a better understanding and connect between faculty and students.

Schedule

Semester Closing Programme: B.Tech EED (IV Semester)
Friday, July 8 · 11:00 AM – 01:30 PM

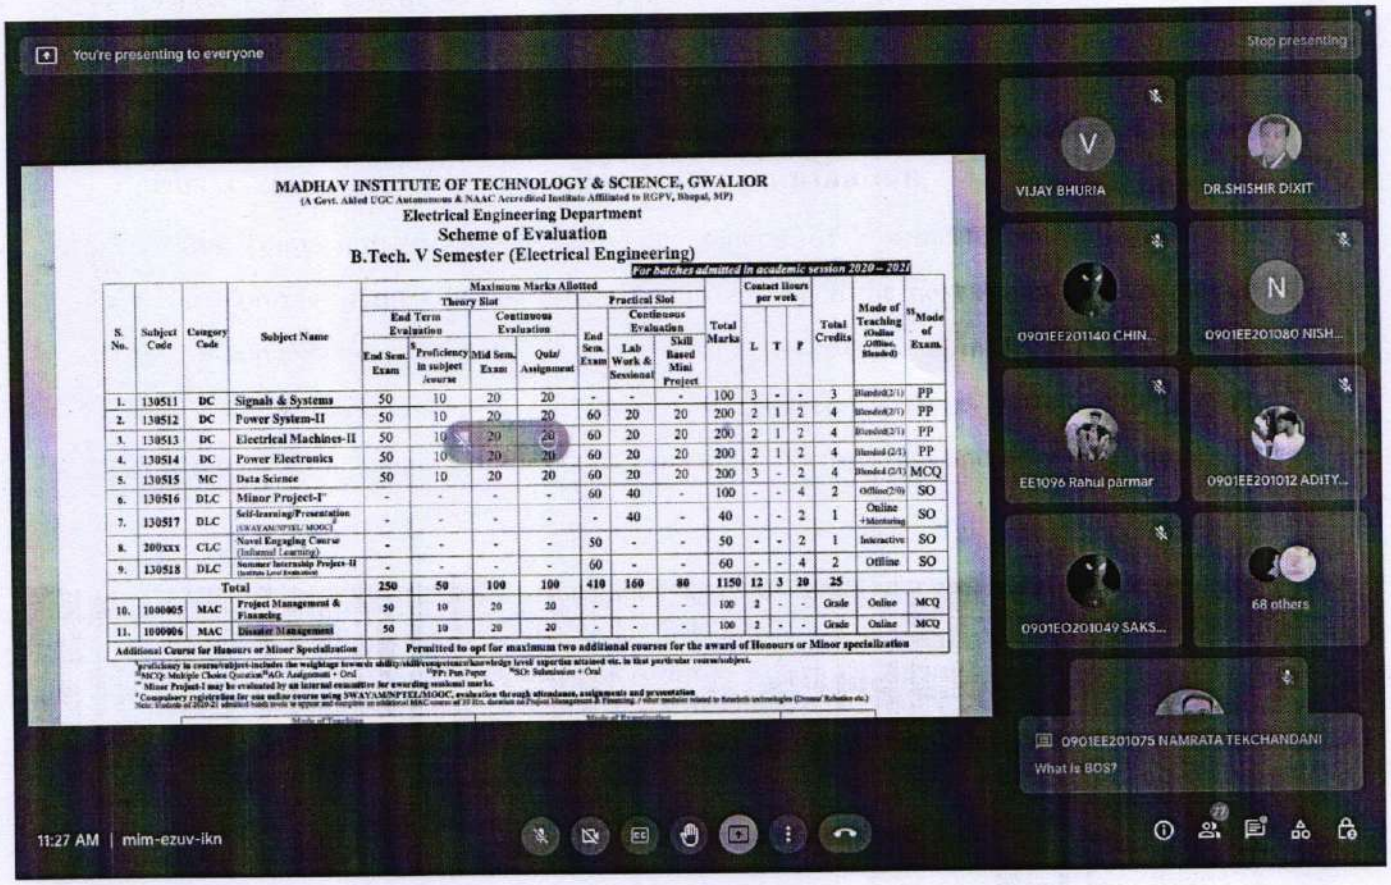
Time	Activity	Activity In charge
11:00 AM - 11:15 AM	Introduction of Semester Closing Programme	Dr. Vijay Bhuria
11:15 AM -11:40 AM	Overview of V Sem Curriculum Scheme: Schemes/Credits/Courses etc	Prof. Nipun Gupta
11:40 AM - 12:00 PM	Syllabus, Evaluation Scheme & Mode of Examination	Prof. Nipun Gupta
12:00 PM - 12:15 PM	Discussion on NEC courses, audit courses and Minor Project	Dr. Vijay Bhuria
12:15 PM-12:40 PM	Swayam/NPTEL opportunities under flexible curriculum scheme	Dr. Shishir Dixit
12:40 PM - 01:00 PM	Provision of MInor Specialization & Honors	Prof. Praveen Bansal
01:00 PM- 01:15 PM	Discussion on past semester Experience of students	Class coordinators
01:15 PM- 01:30 PM	Suggestion for next semester by students	Class coordinators

Introduction of Semester Closing Programme:

This program started with an address from Dr. Vijay Bhuria. In this session NPTEL/Swayam coordinator, II year coordinators & concerned faculty members of the department were also present.

Overview of V Sem Curriculum scheme: Schemes/ Credits/ Courses/ Syllabus, Evaluation scheme & Mode of Examination:

Prof. Nipun Gupta briefed students about the scheme of V semester with all provisions, mandatory courses, audit courses, NECs being offered in the next semester. Scheme and syllabus of subjects being offered in the next semester is explained in detail. Students were guided to choose NEC courses and understand the scheme structure. Various doubts of the students regarding mandatory audit courses, mode of examination and honors & minors are cleared.



Swayam/NPTEL opportunities under flexible curriculum scheme:

Dr. Shishir Dixit explained to students about the role of NPTEL/Swayam courses in curriculum and Minors & honors opportunities. Students were suggested to make a separate email-id for the NPTEL courses.

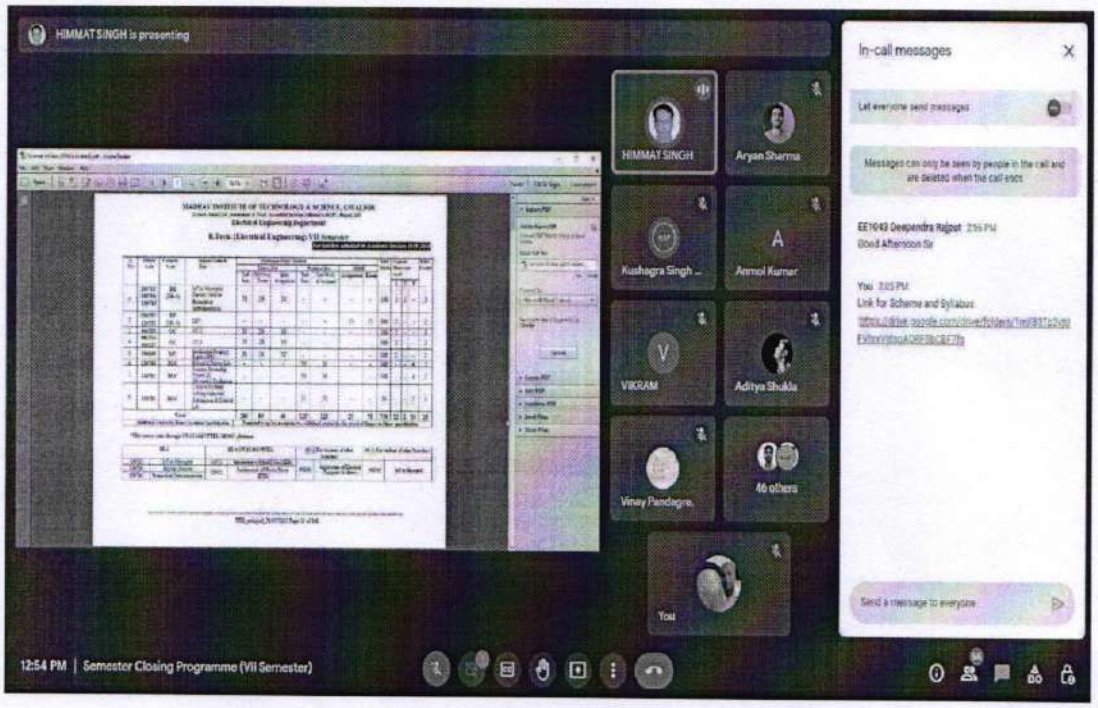
04:45 PM- 05:00 PM	Suggestion for next semester by students	Class coordinators

Overview about The Programme: Overview of VII Semester scheme: credit, DE & OC courses, Professional development, NPTEL, etc.

This program began with an address from Dr. Himmat Sigh. In this sessions SWYAM/ NPTEL coordinator, final year coordinators & concerned faculty members of the department were also present.

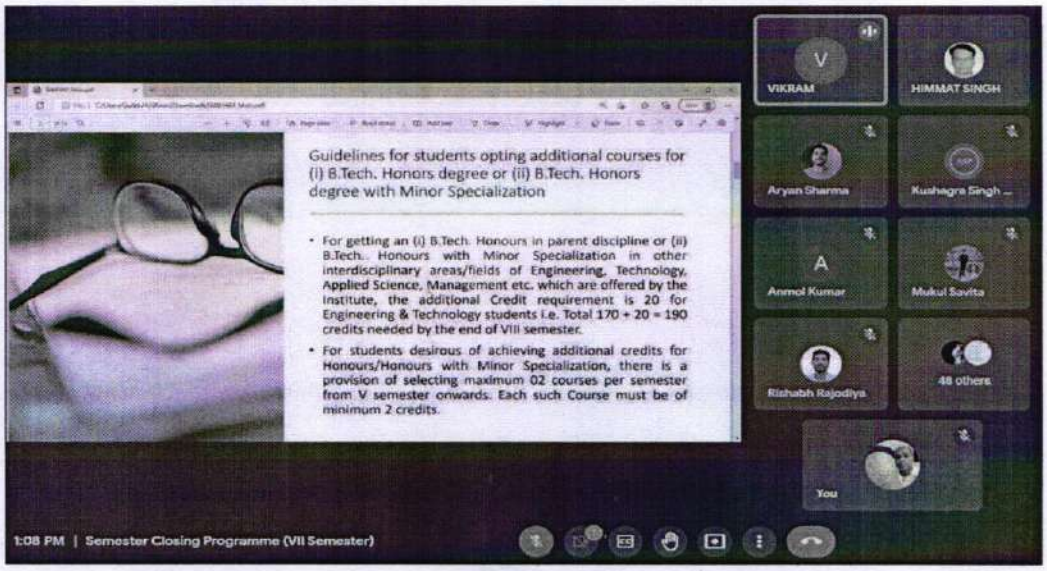
Dr. Himmat Singh delivered the presentation to the students about the Flexible Scheme and mainly about DE (Department Elective) and OC (Open Category) courses. He started the talk by telling the importance of NPTEL courses towards diversified growth of the students. He presented the thought that key to scoring better in these Elective Subjects is selecting these subjects very carefully in the beginning itself, as per individual's interest. He made the students aware about the Flexible scheme, so that students can able to choose their subject easily regarding NPTEL, SWAYAM/MOOCS.



(Dr. Himmat Singh IVth Coordinator explaining VII Sem Scheme)

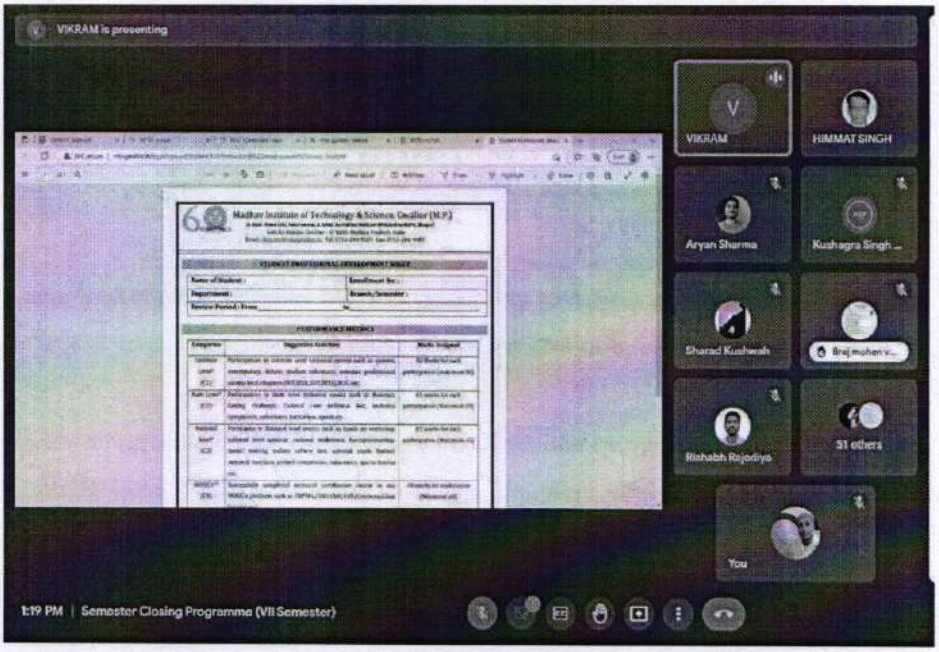
During the meeting, introduction of earning B. Tech degree with Honors and Minor specialization, role of NPTEL, SWAYAM/ MOOCS through massive open online courses have been presented to aware the students about the importance of these curriculum activities for their professional careers.

He explained the scheme of examination of B.Tech VII semester in which he told about different offered OC and DE courses. He explained the importance of scheme and the credit of different subjects. He also discussed the academic calendar for session 2022-23 for different time lines of academic activities



(Dr. Vikram, SWYAM/NPTEL Coordinator explaining Honors and Minors specializations)

He has also explained about the additional courses and their importance in their career and also the process of getting credits and the criterion of CGPA for getting their degree with Honors' and Minor specialization



Further, Dr. Vikram & Prof. Manoj Kumar has explained a lot of key points regarding the SWAYAM/NPTEL/MOOCS courses and their process of examination, enrollment and guidelines for credit transfer. He also explained the student professional development sheet and its evolution process. The Students are also encouraged for GATE examination for government & PSU's jobs.

About The Program

In view of Dean Academic Notice No. DA/MP/2022/1487 dated 25/5/2022. A "Semester closing Programme" (class wise) is conducted for the B. Tech I Year (EE-IoT) students in off-line mode. The objective of this is to prepare the students in advance for the next semester and to establish a better understanding and connect between faculty and students.

A session has been organized under the program and was presented by faculties. The Semester closing Programme consisted of sessions on the scheme of III semester with all provisions, Briefing about mandatory courses, audit courses, NECs being offered in the next semester and briefing about the role of NPTEL courses in curriculum, Minors and honors opportunities.

At the end of the sessions, they were apprised about issues/academic lapses in previous semester, so that such cases can be avoided.

In the session conducted on 08th July 2022, Forty Five (45) students were present.

Objective

1. To Prepare the students in advance for next semester so that the summer break can be effectively utilized for achieving their learning and career goals.
2. Engage students for finalizing NEP,MAC and NPTEL courses etc.
3. To establish a better understanding and connect between faculty and students.

Swayam/NPTEL opportunities under flexible curriculum scheme:

Prof.Kuldeep kumar Swarnkar explained to students about the role of NPTEL/Swayam courses in curriculum and Minors & honors opportunities. Students were suggested to make a separate email-id for the NPTEL courses.

Students were made aware about the opportunities in the flexible curriculum such as getting a nationally recognised certificate from Swayam/NPTEL, skills development in the thrust areas thus bridging the gap between industry and academia and thus making them more industry ready and employable.

The session concluded after taking feedback from students regarding their experience in the previous semester and suggestions were taken on what they feel can be improved in the further semesters.

In the session conducted on 08th July 2022, around Forty Five (45) students were present.

Outcome of the program

1. The students are made aware of the upcoming III semester Scheme and syllabus. Also, the academic calendar is shared for awareness about different academic activities.
2. The students are also briefed about Honors and Minors, which they can opt from the next semester onwards.
3. Students are able to understand the importance of NPTEL courses as per their curriculum.
4. The Criteria for awarding Professional development courses are explained to students and they are encouraged to participate in national and state-level events.

Report of the Semester Closing Programme for II Year Electronics and ET Students

Date:-03-06-2022
Timing:-2:30 PM onwards
Mode of conduction:- Online through Google meet platform
Topic:-Semester Closing Programme for B.Tech 2nd Year EC & ET
Number of Students Present:- 102

Topic Discussed:-

1. Students were welcomed to Semester Closing Programme by the Coordinators.
2. The Objective and general discussion about the Semester Closing Programme were given by the coordinators. **Dr. Laxmi Shrivastava**, (HoD) welcomed the students in the Semester Closing Programme and congratulated them for completing the examinations for the lastsemester.
3. **Prof. Deep Kishore, and Dr. Karuna Markam**, discussed the detailed scheme for coming semester, courses and their credits, and evaluation modes. Students were motivated for application based mini project submission in next semester. They were also briefed about the importance of course end seminar and one minute report submission.
4. **Dr. Dinesh Rano** asked the students give their feedback about the last semester subjects, teaching methodology, and lab sessions conducted in previous semester.
5. General discussion about the NPTEL/SWAYYAM/MOOC, its registration process, approved courses list for minor/honors, DEs, mentor list, registration deadline, course start dates, course end dates, exam date, assignment process etc. was discussed by **Prof. Deep Kishore Parsediya and Dr. Laxmi Shrivastava**.
6. The importance of attending special or remedial classes to solve problems during the lecture was given by **Dr. Laxmi Shrivastava**.She has also discussed about the importance of participation in college and national level events as required in professional development evaluation. The concerns over the mini-project assignmenthave been with dealt in clarity by **Prof. Deep Kishore Parsediya**.
7. Students raised the issue over lab sessions to be conducted before the 2nd half and was taken of care by coordinators of both EC and ET.
8. The house was then open to answer any specific queries. Students asked general doubts and the faculty members answered the same.

The programme ended with thanks to all the attendees.

Report of the Semester Closing Programme for III Year Electronics and ET Students

Date: 06-06-2022
Timing-11:00AM onwards
Mode of conduction:- Online through Google meet platform Topic: Semester Closing Programme for 3rd Year Electronics & ETNumber of Students Present = 142

Topic Discussed:

1. Students were welcomed in Semester Closing Programme by the Coordinators.
2. The general discussion and introduction about the upcoming semester discussed by **Dr. Laxmi Shrivastava, HoD.** She congratulated them for completing the examinations for the current semester.
3. **Dr. Sandeep Sharma** and **Prof. Madhav Singh**, then discussed about the upcoming semester scheme, courses, their credits and the modes of examination procedure. General instructions about the examination, their importance, various issues faced by students during exams and how to resolve these issues
4. The importance of GATE, its different aspects, GATE classes, etc. was discussed in the meeting. General discussion about the NPTEL/SWAYYAM/MOOC, its registration process, approved courses list for minor/honors, DEs, mentor list, registration deadline, course start dates, course end dates, exam date, assignment process etc. was discussed by **Dr. Sandeep Sharma**.
5. **Prof. Madhav Singh** introduced students about various type of feedbacks and their importance in the teaching-learning process also the importance of attending special orremedial classes.
6. **Dr. Laxmi Shrivastava, HoD** motivated the students to choose live problems to undergo the project work so that the society may be benefitted from the solution. She also emphasize on the need of the interdisciplinary research/project work.
7. **Prof. Madhav Singh** introduced the list of the SIP-III modules to be introduced to the third year students, their mentors, and enrollment and evaluation process.
8. The house was then open to answer any specific queries. Students asked doubts and the faculty members answered the same.

The meeting ended with thanks to all the attendees.

SESSION CLOSING PROGRAMREPORT- CSE II year

The session closing program for B. Tech, CSE-II Year,(Semester-IV) Computer Science and Engineering (Session: Jan-May 2022) was conducted on 22/06/2022 in online mode, total **93** Students participated in this program.

During the program, following are the points were discussed with students and instructed them to adhere with the academic calendar.

1. The scheme and syllabi of V semester CSE & significance of attendance (have to maintain 75 per cent attendance in each course) were instructed to them.

2. The teaching and examination modes of courses offered in the V semester with their credits were described.

3. The continuous and end semester assessment, skill based projects and course proficiency as the part of course curriculum.

4. All the points related to OBE and a Brief about the course outcomes, feedbacks, course attainment, direct and indirect assessment etc were informed.

5. The importance of minor degree as per the multidisciplinary area in which they are interested and honour degree as an subject area experts is informed to all students and ask them to proceed for this. Brief about the courses that offers in the V semester for minor/honlors degree and their credit requirements.

6. The minor projects provision in the curriculum and some example of projects that students can develop in the semester were conveyed to them.

7. The placement planning and importance of internship in career development is discussed.

8. The importance of MOOC course and how to register courses in the SWAYM platform were also discussed. The passing criteria and certificate and their types of NPTEL courses were also informed.

9. Brief about the Academic calendar of July-December 2022 session.

SESSION CLOSING PROGRAM REPORT

Date: 23/07/2022

The session closing program for B. Tech, CSD-I Year, Semester-II, Computer Science & Engineering Department (Session: Jan-May 2022) was conducted online mode 40 Students participated in this program, dated 23/07/2022 at 12:10 PM. During the session closing program, the following the point were discussed:

1. At the start of the program, Dr. Manish Dixit, Head of department CSE, Welcomes the students & motivates them for placement and how to prepare for their abroad studies. It also tells the importance of intelligent learning and how to prepare for PSU and other technical examinations. They also discussed research papers' role and significance in the technology era.

2. Dr. R.R. Singh is brief about the second-year DEs/OCs subjects and explains their importance.

3. Prof. Jaimala Jha also gives the knowledge of Placement Planning/ Carrier Opportunities/internships/Projects. Prof. Jha clarified to the students that an internship is compulsory for all students. If any students do not get training from the internship, these students go for a project. In the project, according to guidelines, one research paper is compulsory. Also, discuss how to prepare for the offline campus program.

4. Prof. Arun Rana gives knowledge of Scheme & Curriculum III semester. And they discuss in detail the subject's importance, Technical weight in the industry, and updated new technology covered by the curriculum.

5. Prof. Amit Kumar Manjhvar introduces all faculty members of the CSE department with their profiles. Also, provide presentations on department activities & achievements.

6. Lastly, the students give their valuable suggestions and previous semester feedback. They mainly concentrate on their placement future, and they also warn about new technology, i.e., Big Data Analysis, Neural networks, and AI. Most of the students want to prepare for the GATE and PSU examinations.
7. At the end of the program, Dr.Ranjeet Kumar Singh takes the feedback on the program and group photographs.

Report on One Day Online MCA/M.Tech. Session Closing Program June 2022

(A Govt. Aided UGC Autonomous Institute)

One Day Online Session Closing Program for MCA/M. Tech. II Semester was scheduled online through Google meet platform on 20/07/2022 at 7:00 PM using the link https://meet.google.com/ptu-xmnp-uzs. In this program, Dr. Manish Dixit, HOD, welcomed all the students and informed them about the importance of project, research papers/survey papers, corporate sector and also motivates them to learn market driven analysis. Dr. R. S. Jadon, MCA Programme Coordinator, gives the brief description about Placement Planning/ Career Opportunities. In continuation with this, Dr. Anshu Chaturvedi informed them about the Scheme and Curriculum of III Semester. In the last, Dr Parul Saxena and Prof. Mahesh Parmar informed them about the DEs, OCs, NPTEL courses and importance of Self Learning/Presentation/Seminar through SWAYAM/NPTEL. The program details are as follows:

Date	Time	No. of Registered Students MCA (67) & M.Tech. (4) II SEM	Snapshot	No. of Students Attended
20/07/2022	07:00 PM	71		47

At the end of every session, there was a question-answer session where students were allowed to ask any query regarding the next semester. Students really enjoyed the session and found it was very useful for them. Overall the program was very successful.

IT- I YEAR, II SEMESTER

Date: 17/06/2022

Report of Semester Closing Programme

As per the letter ref. no. DA/MP/2022/1487, received on 25/05/2022, a Semester Closing Programme of IT-I Year, II Semester students was conducted on 10/06/2022 with the following objectives:

- To discuss & aware the students with SIP-I, its importance and its execution process.
- To discuss & aware the students about upcoming semester (III semester) scheme &syllabus.
- To understand the students about the importance of various feedbacks.

The Programme was conducted in online mode, in which 40 students were present. Students have shared their experiences:

Anonymous 1:

Experience in 2nd semester*: In our 2nd semester, we got the opportunity to meet with a lot of wonderful faculty members, everyone of them equipped with a splendid way of teaching the course provided that it can be easily understood by even the average of students.*
The course content of 2nd semester was good & cherry on the top was the way in which the respective faculty taught us.
Throughout the course, we haven't suffered in anything except the ***poor ventilated classes*** *which used to cooked us up like the food is cooked in oven.*

Suggestion for improvement: *Everything was alright except the classes. So, I will just request you to provide us with a good permanent class like seminar hall. And in terms of faculty members & course content in 3rd semester, I hope it will be as good as it was now.*

Anonymous 2:

Experience in 2nd semester*: Our 2nd semester was a great experience in terms of academics and learning. The faculty members were perfectly cooperative and skilled with the knowledge base required, they did support us and gave remedial /doubt clearing classes as and when required, which was highly beneficial.*
It was a wonderful learning experience.

Suggestion for improvement: *Everything was alright except the classrooms .With the kind of heat wave Gwalior had this summer,* ***fully ventilated seminar hall was highly***

Madhav Institute of Technology & Science, Gwalior

(A Govt. Aided UGC autonomous institution affiliated with RGPV,

Anonymous 3:

Experience in 2nd semester: *The second semester was a really interesting phase for us, as thiswas the first time after covid that we got to attend the classes in offline mode. Not only had we got to meet our friends that we made during the online classes, but also thewonderful teachers and their unique teaching styles.*
We studied the whole semester with ease, except for a few inconveniences here and there.

Suggestions for improvement:
1.) Classes:
The class(113A) which was assigned to us was very poorly maintained.
The fans weren't functioning half of the times, the projector was mis-aligned and many tablesand benches were broken.
2.) Late arrival of news: Most of the information about upcoming events, activities and examswas delivered to us very late and then we didn't have enough time to decide/prepare for them.

Outcomes:

- Students understand the importance of SIP-I, and it was found that 2 students were notregistered, so after meeting they registered in internship.
- Students share their experiences of their II semester.
- Students ask about the offline endterm examination, its difficulty level.
- Students understand the scheme, DC/DE courses and Audit/ Credit courses.

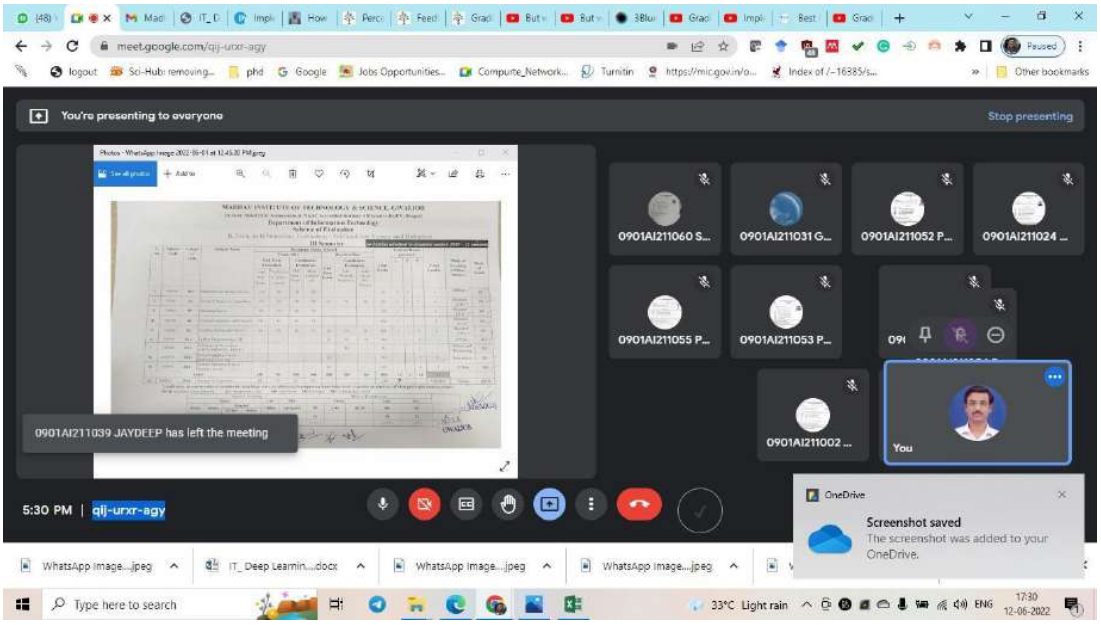
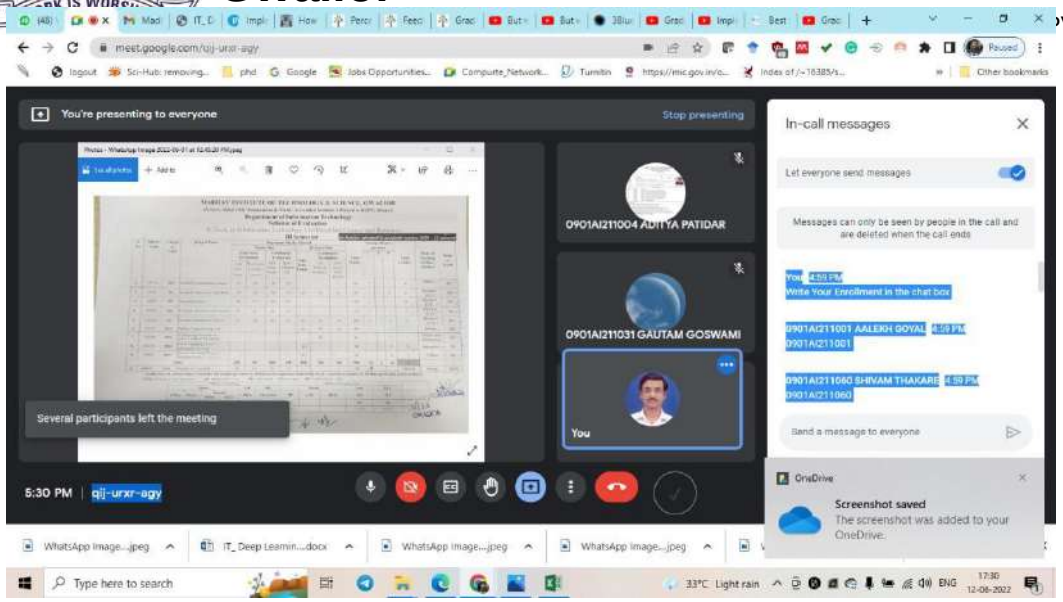
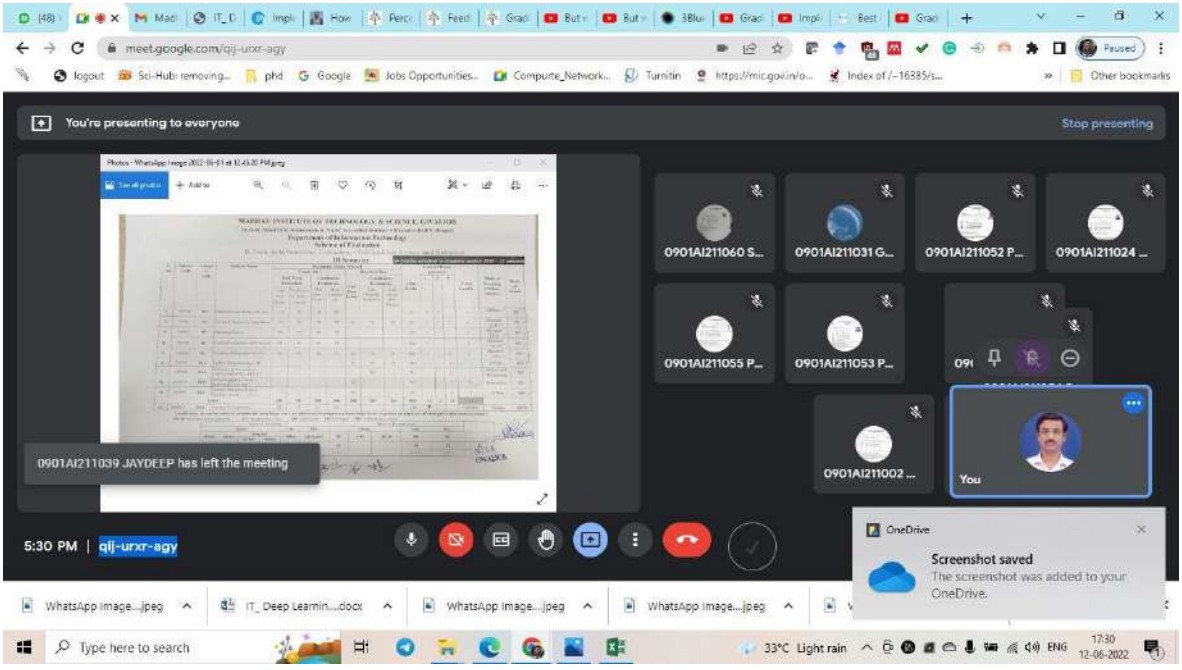
Glimpse:



Madhav Institute of Technology & Science, Gwalior





Outcomes:

This program have been mainly focused to disseminate the information about the upcoming semester scheme and curricula, where some new courses were added in different nature i.e. SWAYAM/NPTEL/MOOCS and NEC related courses. After this program students are able to understand, how they can register there self in the SWAYAM and NEC courses and the evaluation process of the Summer Internship Project-1.

A report on

"Semester Closing Programme for Second Semester AI & ML"

Date: 30th June 2022

A semester closing programme for second semester Artificial Intelligence and Machine Learning students was conducted on 16th June 2022 in the NRGF room from 12:00 to 01:00 PM.

Objectives of workshop:

- To prepare the students in advance for next semester
- To establish a better understanding and connection between the faculty and the students.

Following were discussed during the workshop:

- Importance of NEC courses was discussed and students were reminded to carefully selectthe course as per their choice and within the registration window.
- Mandatory Audit Courses (MAC) in the curriculum and their importance was discussed.
- Registration for Swayam/NPTEL considering the self-learning/presentation course wasdiscussed.
- Some important points regarding the end semester examination in offline mode werediscussed.

Report of Semester Closing Programme

Session: Jan-June 2022 (B. Tech, IT Semester-IV, 2nd Year)

Date:

21/06/2022 Semester Closing program for **B.Tech, IT 2nd Year, Semester-IV** was conducted in online mode on date 21/06/2022 at 03:00 PM to 05:00 PM. During the orientation program **46 (Forty Six)** students

were presented and following points were discussed and resolved:

1. Discussed about previous and next semester course scheme of IT, Semester-V with students in which we was explained about Departmental core subjects (DC), seminar/self-study, DLC, NEC and MAC course, Also explained about end term evaluation, continuous evaluation, course credits and summer internship project-II etc.
2. Student can take additional courses for Honours and minor specialization in V semester, also discussed in meeting and gave some information about Mode of Teaching and mode of examination.
3. Discussed information related to minor projects and Internship (soft skill based internship project-II) with students, also discussed the importance of internship and about NPTEL based Self-learning.
4. During discussion, students shared experience of previous semester and gave some suggestionsuch as:
    a. Student asked to conduct class fully offline mode
    b. Students gave concern to increase examination time.
    c. Due to high temperature students demand Ac Classroom
5. Discussed various feedbacks (CO, PO, Faculty Feedback, and Curriculum) with students andalso explained importance of that feedback system.
6. In this view, we shared information about various clubs activities functioning in the instituteand department.

7. Furthermore we had discussed other topics related to Remedial/additional Classes for Weak Students, Moodle activities (attendance norms), Importance of Integrity, Ethics & Institute guidelines for plagiarism.
8. Students were advice to register in SWAYAM courses and complete all assignments before deadline. Students were informed that they have to pursue internship program mandatory as per the scheme.
9. Students were informing about the importance of Mid Semesters and Quizzes that is a part of continuous evaluation process.

Report on Semester Closing ProgramFor IT (AIR) IV Sem Conducted on 20/06/2022

As per the order no. 1487 received from HoD, IT, the Conduction of a 'Semester Closing Programme for students of the IT (AIR), II-year class was scheduled in **online mode, by Dr. Pawan Dubey, using google meet: https://meet.google.com/ysk-reod-evn .** Considering the objectives, i.e., to prepare the students in advance for the next semester and to establish a better understandingand connect between faculty and students, following important points were discussed in the program:

1. The students were asked about their significant learning experiences about their new courses in the recently completed semester.
2. The scheme of the next semester along with all provisions, Such as B Tech. Minor, honors and simple program, were discussed along with their further carrier advantages.
3. I regard of allotment of projects and project topic selection; the broad faculty research areaswere discussed with students and they were told how they can utilize their summer vacationto kick start project work by their own.
4. They were also briefed about importance of departmental Eelectives, NECs and Open Ccategory courses which are going to be offered in the next semester at either on department or institute level. They are also told about the dead line for registering the abovesaid courses before the commencement of the class.
5. Though students praised most of the college facilities, they put serious concern over occurred heat wave issues and less robust classroom towards these heat waves.
6. The students were apprised for branding of the department and developing a sense of belongingness towards the institute.

2. Meet Link: : https://meet.google.com/ysk-reod-evn

REPORT (MAC)

Title of the Programme: Session Closing Program IV Sem. MAC Students **Date and Venue** : 24/05/2022 and Room No. 102, MAC Department**Total Present Student:** 53 out of 65 students

Total Faculty Presents: 07

Total No. of Feedbacks of the Programme (by Google form): 56

Objective:

1. Briefing about syllabi completion and preparing for upcoming end semester exam and vivavoce exams.
2. Enable students to comply with the needs of the examination pattern and to appear in the same,
3. Brief of Flexible Curriculum, NEP-2020, Projects, internships
4. Interact with students and call their individual queries
5. Apprise about the upcoming semester and inform about the changes therein.

Snaps/Screen Shots:

Madhav Institute of Technology & Science, Gwalior

(A Govt. Aided UGC autonomous institution affiliated with RGPV,

Outcomes of Programme: The following outcomes were achieved post the programme/discussionsession:

- Students doubts and queries about the up-coming examination and assessment were clarified, soas to face the same hassle free.
- Students were explained the utility of coming up with questions and interacting with the facultyabout their apprehensions and requirements in the academic field.
- Students were asked about the difficulties faced in laboratory classes and were assisted in comingup with solutions to remove them
- They were advised to take responsibility themselves as far as engaging classes and academicmatters are concerned and should be punctual towards academic activities.

Dr. D. K. Jain — **Class Coordinator**

Dr. V. P. Shinde — **Prof. and Head**

Report on the Session Ending Programme / Semester closing Programme for students IV Year

A meeting with IV yr. Students and Faculty members was conducted on 20/05/2022 and following points were discussed regarding Professional Training and Thesis and various issues of students for the forthcoming semester so that the summer break of the students can be effectively utilized for achieving their learning and career goals.

Professional Training

Students were guided about the Professional Training.

Training whatsapp group is to be formed.

Students were guided @ Selection of Architects office under whom the training is to be conducted. The Architect of the firm where the student is joining should have atleast 5 years experience after CoA registration. Every student has to submit their monthly reports to the department, Moreover Evaluation sheet from the employer /Architect should be shared with the department.

Thesis Topic

Students are advised to finalize their Thesis topic before proceeding for training, so that they can work on their topic during their training

Moreover students were advised to publish at least one paper in national journals. Students who cannot publish the paper should attend at least one online seminar.

Feedback form should be filled by their parents as well as the students.Students have to take up one NPTEL course approved by the BOS Sein the current session and submit the passing certificate at the end of the semester.

Ar. Ankit Kumar will be the class coordinator for the final year and will collect time to time data of internship from all the students.
